

## 6<sup>th</sup> International Conference and Exhibition on Pharmaceutical Regulatory Affairs and IPR

September 29-30, 2016 Orlando, USA

---

### Priya Bhutani

RegDesk, Inc., USA

#### Risks of inadequate regulatory intelligence

Globalization coupled with an ever-changing regulatory/legislative landscape continues to increase the complexity of regulatory compliance. Regulatory Intelligence has become an essential tool in device/drug development, risk mitigation, and product lifecycle management. How are you improving the reliability of the intelligence you are gathering? How are you mitigating the risk of incorrect intelligence?

#### Biography
