

Concept of drishti in ayurvedic and modern perspective

Supriya Kashinath Patil and Pranav P. Bhagwat

Hon. Shri. Annasaheb Dange Ayurvedic Medical College, India

Acharya Sushruta, one of the eminent personalities in the field of Ayurveda, has mentioned the concept of drishti very precisely in his treatise Sushruta Samhita. There are many references regarding drishti considering its anatomy, physiology, and treatment aspect. All these references will be co-related with modern consideration of eye and will be discussed during seminar.
