

## Green World nutrition care package

**Noxolo Mbali Mdliva**

Greenworld Health Care Consultant, South Africa

### Abstract

- You become a member by joining with R190, you get a membership CARD and STARTER KIT....in the Starter Kit you will receive all the information you may need about Green world. All our products are explained in detail in the Starter Kit.
- Our Compensation plan is also explained in that Starter kit. Being a Member gives you a rank called 1 star Consultant (1\*C) and 20% DISCOUNT in all our products that you buy from Green World. Meaning you will resell the products and make 20% PROFIT.

### Moving to the next step:

- You need to purchase products worth R3750 either accumulative or once off. Then you become a 3star consultant (3\*C) and this qualifies you to earn 20% commission in Green world. This you earn from your personal sales.
- If you want to earn more money you will need to recruit and build the team you will earn from....
- You need to recruit at least 3 people who will all purchase products worth R3750 and become 3\*s like you did... remember Network marketing is a business of duplication, then this will promote you to a level called 4\*C.
- At this level that's when the Company pays you 25% commission from your personal sales and also by just recruiting 3 people you will earn +-R2600...If you became a 4\* within the same month you joined you will get a reward of a branded Green World Umbrella or a Sport Watch.
- As I said this is a business of duplication, you will need to work with these 3 people you recruited and make sure they become 4\*s and experience being paid from Greenworld as you did and that will promote you to another level of 5\*C. Your commission rise to 30% .You can earn up to R 5000 depending on how active your team is
- Being a 5 \* in 1 month with the required team sales will enable you to receive a Green World Quantum Scanning Machine worth R10k
- In this business WE RISE BY LIFTING OTHERS....therefore make it your duty to work with your business partners to be 5\*s like you, then you will be a 6\*C. At this stage your commission is 35%. You earn between R5000-R10 000, your team can even perform better than this, making you earn more and more. Its all about how much sales you make with your team.

- If you become a 6\* within the first 6 months of joining you will qualify for a 7 days all expenses paid trip to China. Everything paid by the Company from Visa Application, Flights and Accommodation in China. You also get to stop and shop in Dubai.
- GreenWorld wants you to meet its founder Dr Deming Li and see the farming and production bases. You will spend 7 days touring around China and visiting places of interest there including one of the world wonders The Great Wall of China... Your life would have been transformed!!!!!!
- You can also choose not to go to China and redeem your trip. You will get R25k cash to compensate for the trip

## Moving forward....

- As soon as your business partners become 6\*s, you are promoted to 7\*C. At this stage your team would be grown so huge and your commission is now 40%, earning +-R15k or even more every month. It all depends on the productivity of your team.
- If you become a 7\*C in 12 months of joining you will receive a SMALL BUSINESS CAR AWARD bonus worth R130 400. This money would be deposited into your bank account then you buy yourself a small business car of your choice or use the money as you please.
- When your business partners become 7\*s like you then you are promoted to 8\*....This is now the beginning of financial freedom where your commission is now 45% and your potential earnings are nothing less than R40k. You also stand a chance to start qualifying for different Tour Trips all over the world annually fully catered for by Green World.
- And still, management and honorary positions will be waiting for you ahead from 1 star manager (1\*M) up to the Honorary chairperson (HC) as you grow your business.
- When you reach the Honorary Ranks you also qualify to start earning shares within Green World and if you die your children and grandch.

## Biography

Noxolo Mbali Mdliva is the true epitome of a fighter. A disciplined and innovative young person who is always seeking solutions and wanting to improve herself and grow whilst making a difference in the lives of others. In spite of the trauma, painful experiences and heartbreaking circumstances that she was raised in, she has a die-hard spirit that inspires many and is a true hustler and testament of God's love and that you can't put a good woman down.
