E-mail: ceo@cvbf.net*

We heartily welcome all the participants throughout the globe to participate in the conference titled **12th International Conference on Clinical Research and Pharmacoepidemiology** which is scheduled to commence on **September 28-29, 2020 at Abu Dhabi, UAE**. This event would be a great opportunity to gather knowledge as well as experience in the field of pharmacy.

Pharmacoepidemiology 2019 Conference is a multidisciplinary program with far-reaching cooperation with individuals from around the world concentrated on finding out about pharmacology, epidemiology, [clinical research](#) and its advances. This stage is your best chance to achieve the biggest get-together of members from Pharmacist and Clinical Pharmacist people group that is from the scholarly community, clinical scientists, medicinal gatherings, social orders, related affiliations and furthermore from drug specialist, government offices and therapeutic gadget businesses.

Expert Level

The award is to the experts who have made outstanding contributions to advancing in **Pharmacoepidemiology 2020**. It is the most prestigious award of the conference and tagged as a Scientific Service Achievement award. The eligibility criteria for achieving this award is that one should have a minimum of **20+ years of experience** in the relative field in the public or private sector. The receiver of this award should have a dedicated fascination and should take initiative in researching the recent trends and developments towards the related subjects. You can nominate deserving of the award online.

Professional Level

The award for professional or academic research activity acquired in Pharmacy research field in the public or private sector for experts having research knowledge at 10+ years with most relevant accomplishments. Part-time research experience would be counted as pro-rata. It is calculated from the date when you obtained the (first) degree entitling you to embark on a doctorate (either in the country in which the degree was obtained or in the country in which the researcher is recruited), even if a doctorate was never started or envisaged. You can nominate deserving of the award online.

Scholar Level

The conference offers a Scholar Level award for scientists, researchers, and experts having 10+ years of research experience in the field of pharmacy. Our conference would like to offer the best platform to expand your network by sharing your research knowledge. Presentation includes 25-30 minutes of oral talk on the scientific research topics based on the theme of the conference along with 5 minutes panel discussions. You can nominate deserving of the award online.

Women Scientist

Our conference provides a unique platform for women scientists for presenting the latest research projects with an in-depth analysis. We cordially invite women scholars and scientists from universities/industries having 10+ years of research experience to join the forum. We are happy to encourage our women scientist participants through research awards and provide assistance for women scholars in career development and research guidance through our collaborations. Women scientists can nominate deserving of the award online.

Outstanding Speaker

This award is recognizing individuals who will present their projects, strategies, and schemes that have been implemented to improve long-term excellence in **Pharmacoepidemiology**. You can nominate deserving of the award online.
