

13th International Conference on CANCER STEM CELLS AND ONCOLOGY RESEARCH

We would like to thank all of our wonderful keynotes, speakers, conference attendees, students, associations, media partners and guests for making Cancer Stem Cells 2020 a successful and splendid event.

Allied Academies hosted the joint event of "13th International Conference on CANCER STEM CELLS AND ONCOLOGY RESEARCH & 3rd Global Expo on CANCER AND ONCOLOGY" on July 30, 2020 as a Webinar with the theme "Hope against Hype - Cancer Stem cells & Oncology Research". Benevolent response and active participation was received from the Editorial Board Members of supporting International Journals as well as from the leading academic scientists, researchers, research scholars, students and leaders from the field of Cancer & Oncology who made this event successful.

The conference was marked by the attendance of young and brilliant researchers, business delegates and talented student communities representing more than 18 countries, who have driven this event into the path of success. The conference highlighted through various sessions on current research.

Cancer Stem Cells 2020 witnessed an amalgamation of peerless speakers who enlightened the crowd with their knowledge and confabulated on various new-fangled topics related to the fields of Oncology, Stem Cells and Cancer Research.

The meeting was carried out through various sessions, in which the discussions were held on the following major scientific tracks:

The conference proceedings were carried out through various Scientific-sessions and plenary lectures. The conference was embarked with an opening ceremony followed by a series of lectures delivered by both Honourable Guests and members of the Keynote forum. The adepts who promulgated the theme with their exquisite talk were;

- Cancer Stem Cell
- Oncology Research
- Oncology Research Categories
- Stem cells
- Bio-markers of Cancer Stem Cells
- Immunology
- Cancer Stem Cell Treatments
- Types of Cancer
- Nanotechnology in Cancer
- Cancer Stages
- Cancer Causes
- Cancer Treatment
- Cancer prevention
- Clinical research and trials in stem cells and cancer
- Bioinformatics and Systems Biology
- 3D Bio printing & Bio fabrication
- Gene therapy
- Stem Cell Biology and advances
- Advances in Tissue Regeneration
- Umbilical Cord Stem Cells
- Stem Cell and Tissue Homeostasis
- Stem Cell Aging
- Stem Cell Therapy
- Recent advances in Stem Cell
- Epidermal Stem Cells

- Nitin Telang | Palindrome Liaisons Consultants | USA

- Chulkova Svetlana Vasilievna | N N Blokhin National Medical Research Center of Oncology | Moscow

The event enlightened various areas of Cancer & Oncology Research with Workshops and Poster presentation by:

- Lili Wang | Ludwig Maximilian University of Munich | Germany

We are also obliged to various delegate experts, company representatives and other eminent personalities who supported the conference by facilitating active discussion forums. We sincerely thank the Organizing Committee Members for their gracious presence, support, and assistance towards the success of Cancer Stem Cells 2020.
