We invite you to join us at the Global Pharmacovigilance 2020, where you will be sure to have a meaningful experience with scholars from around the world. All the members of [Global Pharmacovigilance 2020 Organizing Committee](#) will look forward to meet you at Sydney, Australia.

This market is facing a significant improvement owing to patent expiration of branded drugs and increasing number of new drug expansions. This has attracted several local and [international pharmacovigilance](#) service providers. Presence of modest environment has ran to improved clinical data management, pharmacovigilance and streamlined R&D process.

The [global pharmacovigilance \(PV\)](#) and drug safety package market is anticipated to succeed in US\$ 262.02 Mn in 2027 from US\$ 151.07 Mn in 2018. The pharmacovigilance (PV) and drug safety package market is calculable to grow with a CAGR of 6.4% from 2019-2027.

The [global pharmacovigilance market size](#) is expected to reach USD 11.64 billion by 2026, according to a new report by Grand View Research, Inc. It is projected to expand at a CAGR of 13.3% during the forecast period. Increasing incidence of Adverse Drug Reactions (ADR) is the key growth driver. The U.S. Food and Drug Administration (FDA) received approximately 253,017 serious adverse events and 44,693 deaths associated with ADRs in 2015. This shows the potential demand for implementing safety and Pharmacovigilance (PV) services.

The conference offers emerging scholar awards to outstanding researchers, exceptional graduates or early academicians who have distinctive enthrallment towards the conference themes. The Award strives in providing a strong professional development opportunity for early career academicians—meeting experts in the field, interacting with colleagues from other parts of the world, and creating networks and long-term relations.

Conference series offers its heartfelt appreciation to organizations such as our esteemed Media Partners, Exhibitors, and other eminent personalities who supported the conference by promoting in various modes online and offline which helped the conference reach every nook and corner of the globe. It also took privilege to felicitate the Keynote Speakers, Organizing Committee Members, Chairs and Co-chairs who supported this event. This Conference enable you to expand your network, you meet people from all walks of life in the same industry. It widens your reach and gets referrals from these people, which can help your business in one way or another. From this perspective, conferences expand your current network and you are bound to build another one.
