

2020 Conference Announcement on Accounting November 13-14, 2020 | Vancouver, Canada

Julia Scot

Director, GCPA Program; Senior Faculty Lecturer, Accounting, Canada, E-mail: julia.scott@mcgill.ca

It is my great pleasure to welcome you, on behalf of organizing committee & the executive board of the accounting 2020, to the International Conference on Accounting & Financial Management hosted by the Conference Series LLC Ltd was held during November 13-14, 2020 in Vancouver, Canada with the theme "New Developments in World Capital Markets". The conference believes that many eminent speakers will participate to lead the discussions.

The accounting 2020 conference assign with the impact of international accounting developments on financial reporting & bookkeeping, with particular focus on the interaction between accounting and financial stability. Issues like (a) volatility in the profit and loss account from the use of fair value accounting, (b) poor interaction of accounting rules with profit distribution rules and the resulting impact on the financial strength, (c) financial crisis, the issues of financial strength and accounting practices

The accounting and financial management professions have never been so challenging and important. In a demanding, changing and complex world your role is critical in maintaining the credibility. And, as you're aware, credibility is necessary for convincing market participants, governments and society. The conference organizers would like to invite the submission of abstracts relating to all aspects of accounting and finance

for oral and poster presentation. The abstract are encouraged in areas which include: Auditing, Accounting Information Systems, Accounting & Bookkeeping, Accounting Fraud, Accounting Education, Financial Analysis, Financial Reporting, Personal Financial Planning, Investment banking, Management Accounting and Control Systems, Environmental Accounting, Taxation, Business Intelligence (BI) and Data Analytics, Economics & Management, Government and Nonprofit Accounting, Sustainability Accounting and Reporting, Corporate Governance.

The conference aim is to compare notes on recent accounting developments from a World Bank perspective and in that way to learn from each other's experiences. I am therefore delighted to see that -once more- there has been such a strong response to our invitation.

I wish you two days of very fruitful discussions and hope that you find your visit to the Accounting 2020 worthwhile.

Thank you for your attention.

Sanjul Kushwaha
