

2020 Announcement of World Congress on Food and Nutrition Science, October 13-14, 2020 | Rome, Italy

Jozef Kokini

Department of Food Sciences, Purdue University, West Lafayette, Indiana, E-mail; kokini@illinois.edu

We are charmed to welcome every one of the members all inclusive to go to World Congress on Food and Nutrition Science to be held during October 13-14, 2020 in Rome, Italy. Food Congress 2020 accumulates all the worldwide pioneers in Food Science, Nutrition Science and applicable fields to share their exploration at this selective logical program. Food Congress 2020 is meant to distinguish progresses in food technology and Nutrition Science which comprehensively covers food technology and Nutritional Quality of Foods, Food Economy and Nutritional Quality of Foods, Food & Nutrition, Food: Obesity, Diabetes & Endocrinology, Food Chemistry, Microbiology & Toxicology, Applications in Food Technology, Nutraceuticals & Nutrition Supplements and so on. [Food Congress 2020](#) is expecting individuals around the globe and the multi day meeting will affect whole sessions, keynote speakers, workshops, symposiums, publication and oral introductions. This congress gives two days of incredible talks on on-going headways, new food science and new procedures for advancement of food materials for worldwide necessities..

Important Sessions:

- Food & Nutrition
- Nutritional Quality of Foods
- Food: Obesity, Diabetes & Endocrinology
- Food Biochemistry & Food Bioprocessing
- Applications in Food Technology
- Food Chemistry, Microbiology & Toxicology
- Food & Public Health Research
- Food Economy
- Food Engineering Model: Past, Present & Future

- Nutraceuticals & Nutrition Supplements.

Food Congress 2020 is intended to accumulate driving judgment skills to a stage on Food Innovation and its encouragement. It is the exceptional guide to pass on all-inclusive eminent colleges in the bureau of nourishment science and innovation, researchers, theoretical scientists, sustenance analysts, researchers and so forth. Food Technology Meeting is comprised to offer comprehensive sessions that address current issues in the field of Food Technology, i.e. Food Science & Technology, Food & Nutrition, Food Microbiology, Food Safety, Chemical Analysis of Food, Food Preservation and Packaging, Food Law and Economy, Dairy Science and Technology.

Targeted Audience:

- Industries Working on Food Science and Nutrition Science
- Professors, Asst. Professors, Research Scholars Working on Food Science and Nutrition Science
- Food technology and Food engineering associations
- Entrepreneurs on Food technology and Nutrition Science
- Food technology and Nutrition Science Engineers
- Food technologist.
