

## 2020 Awards International Conference on Metabolomics October 21-22, 2020 | Germany

### Usama El Safy

Professor of Pediatrics and Hematology and Oncology Pediatric Dept-Zagazig University-Sharkia Egyp, E-mail: [usama12@yahoo.com](mailto:usama12@yahoo.com)

#### Expert Level

The award is to the experts who have made outstanding contributions in the field of advancing in [Metabolomics response](#). It is the most prestigious award of the conference and tagged as a Scientific Service Achievement award. The eligibility criteria for achieving this award is that one should have minimum of 20+ years of experience in the relative field in the public or private sector. The individual should have a dedicated fascination and should take initiative in researching the recent trends and developments towards the related subjects. You can nominate deserving of the award online.

#### Professional Level

This award recognizes individuals who have made implemented an idea or innovative approach to encourage active involvement for the betterment of the field of Metabolomics. The award should motivate individuals to strive to realize their fullest potential which could in turn be beneficial. Epic works are not only a testament to the individual's efforts, but they also have the potential to change the world as they can lead to the formulation of better policies and or a new [mind-set](#).

#### Scholar Level

The award is for the research students who are specialists in the field of Metabolomics. [Conference Series](#) aims to offer the best platform for such students to expand their network by sharing research knowledge at a stage through their enchanting speech. You can nominate deserving of the award online.

#### Women Scientist

Our conference provides a unique platform for women scientists for presenting latest research projects with an [in-depth analysis](#). We are glad to invite women scientists and scholars from universities/industries to our conference having 10+ years of research experience to

join the forum. We are happy to encourage our [women scientist](#) participants through research awards and provide assistance for women scholars in career development and research guidance through our collaborations. Women scientists can nominate deserving of the award online.

#### Outstanding Speaker

This award is recognizing for individual who will present their projects, strategies, and schemes that have been implemented to improve long-term excellence in [Metabolomics](#). You can nominate deserving of the award online.

#### Best Poster Presentation

[Best Poster Competition](#) is organized at Conference, to encourage the recent graduates and students to present their original and unique research work. During the conference, all the accepted abstracts will be presented at the poster sessions. [Conference Series](#) aims at setting a platform for all the scientists and researchers to present their real-time work and share their ideas and aspects related to the theme of the conference. You can nominate someone deserving of the award through online.

#### Outstanding Thesis

This award is recognizing for [Masters/Ph.D./Post Doctorate thesis](#) work Presentation who will present their projects and thesis that have been implemented to improve long-term excellence in the field of [Microbiology](#). You can nominate someone deserving of the award through online. You can nominate someone deserving of the award through online.

#### Best Keynote

---

This award is recognizes for best Keynote speaker who will present their projects, strategies, and schemes that have been implemented to improve long-term excellence in [Microbiology](#). If you were confirmed as keynote

presenter from the program manager, you can nominate someone deserving of the award through online.
