

Clinical and Medical Case Reports: Research Contribution and Achievements Towards Scientific Community in Medicine

Krzysztof Piotrowski

Unit of Cytogenetics, Department of Pathology, Pomeranian Medical University, Szczecin, Poland

Keywords: Clinical Case Reports • Medical Case Reports • Recognition

Background

Conference Series LLC fosters research excellence and leadership by recognizing the outstanding researchers, exceptional graduates or early academicians who have distinctive enthrallment towards the conference themes. Nominees are judged on past accomplishments, research excellence and outstanding academic achievements. Researchers throughout the world who have been credited with outstanding achievements can make a significant contribution to the advancement of their field, thereby having a positive influence on the society.

To provide a strong professional development opportunity for early career academicians meeting experts awards in different categories are announced such as Expert Level which will be presented to the expert researchers who have done exceptional work in the field of Pediatrics and Neonatology. The award is considered the most distinguished award for who is passionate towards their work, willing to innovate and accept the aberrations happening in the research area with the introduction of recent trends. Followed by Professional Level which is termed as The Research Contribution Award for who should be hard working, diligent, focused and devoted to the specific field of interest. Next is the Scholar Level which will be presented to upcoming researchers and scientists in their respective field (Pediatrics and Neonatology) who bring new technologies and innovations to their work according to the new trends in their field.

To encourage Women scientists and researchers by providing a platform where they can present their work and passion towards their research Women Scientist Award will be presented which is also termed as The Women of Science Award. To acknowledge the speakers with great presentation skills, influential research work and long term excellence Outstanding Speaker Award will be presented. Best Keynote Speaker Award will be presented to the keynote speaker who adds an extraordinary feel to the conference by their distinguished research work, projects and strategies that will provide

a new trend in the field of Pediatrics and Neonatology.

Neonatology 2020 conference supported by the organizing committee network and Speakers of renowned scientific and professional expert such as Igor Klepikov, USA, Jamal Omar, King Fahad Medical City, Saudi Arabia, Krzysztof Piotrowski, DIAGEN co., Poland, Yakub Mathai, India, it provided a platform for collaboration among colleagues, vendors, and academia to reveal new innovations, solutions, ideas, and emerging technologies in Pediatrics.
