The two days of educational program will include keynote presentations, oral presentations, and poster presenters on the advanced techniques as well as papers in all the fields of dentistry in health care. American Dental Congress 2020 aims to explore advances in dental practice, management and education in relation to health disparities as well as a breadth of other topics.

Attendees Can:

- i. Take advantage of opportunities to learn insights about Annual Dentistry and Dental Sciences Congress from a variety of oral and poster presentations.
- ii. Meet and network with **dentistry** ranging from students to deans, faculty, and researchers.
- iii. Take advantage of opportunities to collaborate with dental experts from around the world.
- iv. Attend prominent plenary sessions about relevant issues affecting dental care and the recent techniques adapted in Dental care.

Why Should Attend?

It can really help you to have that expert authority in your field of specialization compared to your peers. This

will give you a chance to broaden your knowledge on dental specializations which can give you a chance speak on dental events or write publications. Most patients always like to deal with dentists who have an authority on their fields of specialization

All submitted conference papers will be peer reviewed by competent reviewers. The post conference proceedings will be abstracted and indexed in the International Journal of Dentistry. The conference abstracts and proceedings book and certificate of presentation will be distributed to participants at the conference registration desk.

Submission guidelines and registration prices information for Speakers and Delegates are posted on the **American Dental Congress** website. Online entries will be accepted from October 01, 2019- August 8, 2020.

American Dental Congress 2020 aims to discuss the wonders happening in the ever growing field of Dentistry. This conference is an acting stage for business professionals, Dentists Directors, academicians, technicians and mainly students to showcase their innovations and new ideas. American Dental Congress 2020 will have more than 100 International renowned speakers to share their latest research results to participants; the planned program will cover a variety of subjects in the field of Dentistry. The conference will also provide an opportunity for interaction and interchange ideas through posters, open discussion and program project. We strongly believe that the exchange of knowledge and experience will result in a strong global collaboration between you and us.

*Are you willing to showcase research results and recent objectives achieved? During **American Dental Congress 2020**, all participants will be able to provide at the registration desk a poster outlining your main results. Why?

Because you will have the chance to present them at the Knowledge exchange session (September 25 forenoon) and meet the authors of the speech you find most interesting during the final Networking Session!
