

**2020 Conference Announcement****Open Access**

## 20th World Congress on Nutrition and Food Chemistry- Food Chemistry Congress 2020

**Lina Rammal***Consultant, Diet Center Owner & CEO, Lebanon, E-mail: info@linarammal.com*

After gaining a very favorable outcome out of the past conference in the Food Chemistry Conference series, CPD accredited- World Congress on Nutrition and Food Chemistry- Food Chemistry 2019, Conference Series takes all the pride in announcing the Upcoming Conference in the successful series of Food Chemistry Conferences.

Food Chemistry Congress 2020- The two-day gathering of world-renowned researchers, nutritionists, experts and Dieticians, food chemistry field is scheduled on April 13-14, 2020 in London, UK.

20th World Congress on Nutrition and Food Chemistry- Food Chemistry Congress 2020 is going to happen on the 13th and 14th April 2020 in London, UK. Food Chemistry Congress 2020 desires at integrating all the renowned Dieticians, Researchers and Doctors, Food Nutritionists, Fellowship holders, Residents, Food industries and beverages industries in the field of Food Chemistry. The objective of this conference is to gather like-minded coteries to facilitate the flow of ideas, thoughts, suggestions and motivations.

This Food Chemistry Conference runs on the theme' Exploring Recent Advancements in Food Chemistry and Technology', which concedes that Food Chemistry Congress 2020 will act as a platform for exploring the novelties in the field of Food Chemistry. In this gathering, the breakthroughs related to Food Chemistry are about to be deliberated and cognizance of the treatments is to be shared.

Food Chemistry Congress 2020 will serve a great opportunity for the delegates of universities and Institutions as it allows people to interrelate with world-class Nutritionists, Dieticians and Businesspersons. Food Chemistry Congress 2020 will not simply be a stage estimation in a gigantic event of people, yet additionally, it's an attempt to spread research advances in the ever evolving field of Nutrition and Food Chemistry Conference.

The scientific event focuses on this Food Chemistry Summit on the research which is currently being

undertaken in the field of Food Chemistry and Nutrition including Food Waste Management, Food Bio-Actives, Food Additives, Food Processing, Food Analysis, Food Preservatives, Food Safety and Laws etc.

Food Chemistry Congress 2020 Conference embraces Keynote speeches, Oral, Poster and Video Presentations. The fostered participants can confirm their participation by registering in Food Chemistry in 2020. All the accepted abstracts will be published in the supporting journals like Journal of Food Biochemistry, Journal of Nutrition and Food Science and Journal of Food Chemistry and Nutrition.

This conference will help the attendees in building a strong professional network by facilitating a fresh perspective of ideas, knowledge in recent advancements, one-on-one engagements and streamlining of techniques. Food Chemistry Congress 2020 is organized under the belief that one-on-one interactions and discussions open door to innovations and inventions. We are proud facilitators of such an opportunity.

Food Chemistry Congress 2020 welcomes: Consumer Safety Officer, Extension Agents and Specialists, Food Scientists and Technologists, Food Science Technician, R&D Companies, PhD Scholars, , Healthcare Companies, Medical Equipment Companies, Food Chemistry Societies, Food Nutritionists, Dieticians, Advertising Companies, Researchers, Scientists, Business delegates, Food Science institutions, Beverage companies, Medical Colleges, Food Chemistry Faculty, Food Chemistry Associations and Societies, Probiotics Companies, Training institutes, Food Industries, Product development and marketing professionals, Healthcare Industries, Medical devices manufacturing companies.

We soulfully welcome you to London and hoping that Food Chemistry 2020 will inspire you and will result in new collaborations and friendships!
