

31st International Conference and Exhibition on Pharmaceutics & novel Drug Delivery Systems

Pawan Saharan

Department of Environmental Engineering, Bio mix, India, drpawan@biomix.in

The conference recognizes the best talented individual from the field of Recycling and Waste Management and awards them to encourage more work to be done in this area.

Expert Level (Achievement Award)

The purpose of Scientific Service Achievement Award awards is to recognize outstanding research achievements in the area of Pharmaceutics. The applicants should have minimum of 20+ years of experience in the relative field in public or private sector.

Professional Level (The Research Contribution Award)

The Research Contribution Award is for highly experienced professional (10+ years) who has made significant discoveries, made important advances in his or her chosen career path in the area of Pharmaceutics in the public or private sector. Part-time research experience would be counted as pro-rata. It is calculated starting from the date when you obtained the (first) degree entitling you to embark on a doctorate (either in the country in which the degree was obtained or in the country in which the researcher is recruited), even if a doctorate was never started or envisaged.

Scholar Level (The Upcoming Researcher Award)

The goal of this Upcoming Researcher Award is to support developing scientist, researchers and experts (10+ years) with innovative research works of excellence related to the area of Pharmaceutics. It will provide the best platform to expand your network by widely discussing your research advances and their outcome. Presentation includes 25-30 minutes of oral talk on the scientific research topics based on the theme of the conference along with 5 minutes panel discussions. The applicants can be nominated through online

Women Scientist (The Women of Science Award)

This Award is to recognize outstanding contributions of Women Scientists in both basic and applied research in the areas of Pharmaceutics with potential for application/product and technology development.

Through this conference, a launch pad is provided for Women Scientist for presenting their research advances. As a part of encouragement to women scientist's participants, awards and assistantship for women scholars in career development and research guidance through our collaborations will be given. We cordially invite women scholars and scientists from Universities/ Industries to who have 10+ years of research experience to join the forum. The applicants can be nominated through online.

Outstanding Masters/Ph.D./Post Doctorate thesis work Presentation in Pharmaceutical Summit 2019

This Award is part of the conference to support young researchers, with the intention of supporting young researchers in their quest to advance the frontiers of science across a broad range of Pharmaceutics. This Award has been designed to recognize outstanding young scientist and researchers who have made significant contributions in their area of research.
