

## 41<sup>st</sup> Global Summit and Expo on Vaccines & Immunology May 10-11, 2021 Paris, France

Dr. Le Minh Sat

Deputy Director, Department of Science and Technology, Vietnam, E-mail: [ImSAT@most.gov.vn](mailto:ImSAT@most.gov.vn)

Warm Welcome to all as we affably invite you to be a part of the **41<sup>st</sup> Global Summit and Expo on Vaccines & Immunology May 10-11, 2021 Paris, France**

The congress will highlight the theme **“Progress and Novel Strategies in Vaccines and Immunology Research”** to gather the researches, scientists, academicians and industrialists from around the world and also to set a common platform for discussion and exploring recent advances in [Vaccines & Immunology](#) research.

The 2 days in May will be highly interactive when all the aspiring minds of the [Vaccines & Immunology](#) will come together and share their research work together. You will feel free to reach us and share your thoughts to continue your lifelong learning and build on the skills that make you successful. This gathering makes a phase for Policy-makers, Scientists, specialists and pioneers in Vaccines & Immunology to show their most state-of-the-art examination and finish up with respect to all the basic progressions in Vaccine, Immunization and Vaccination. Genuine subjects discussed are Latest created antibodies, Production and viability of immunizations, Types of immunizations, Veterinary antibodies, Pediatric antibodies, Vaccines against medications, Vaccines and autism, Vaccines for offbeat illnesses, and plant-determined antibodies, Vaccines security and proficiency, Current research and future difficulties in antibodies, Society and social parts of antibodies.

The point of the Vaccines Conference is to advance quality research and true effect in an environment of genuine worldwide participation between researchers by uniting the world class scientists, International Communities and Industrial heads to talk about the most recent improvements and developments in the fields of Vaccines and Immunology. We are expecting around 50+ Speaker and 100+ delegate participants excluding the students for our Conference.

Vaccines World is a platform to achieve the prevailing gaps in the transformation of this multidisciplinary science of hope, to serve promptly with solutions to all in the need.

Vaccines World 2020 unites people who have an enthusiasm for various fields of Vaccine, Immunology and Vaccination. Target Audience will be workforce from academic fields which consolidate; Professors, specialists, CEOs, Directors, Vice Presidents, Co-official, Biotechnologists, Immunologists, Managing Directors, Industry Safety Officers, Environmental and Plant Scientists, Doctorates, Professors, Post Doctorate Fellows, Vendors of Consumer Products/Managers, Pharmaceutical Scientists, Students from the related fields. Vaccines World 2020 The firm has been engineered on the bottom of honored educational and analysis establishments as well as the College of Audiologists and Speech-Language Pathologists of Ontario (CASLPO), The Association of Public Safety Communications officers of North American nation (APCO), The Canadian tube Access Association (CVAA), and therefore the Canadian Society of medical specialty (CSIM).

Vaccines World 2020 gives an overall stage to exchanging considerations and makes us upgraded about the latest headways in the field of Vaccine, Immunization and Vaccination. The opportunity to go to the introductions passed on by Eminent Scientists from across all through the world.

### Vaccines World 2020 Young Scientist Awards

Vaccines Conference Committee is intended to honour prestigious award for talented Young researchers, scientists, Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty in recognition of their outstanding contribution towards the conference theme. The Young Scientist Awards make every effort in providing a strong professional development opportunity for early career academicians by meeting experts to exchange and share their experiences on all aspects of Vaccines.

Young Research's Awards at Vaccines World 2020 for the Nomination: Young Researcher Forum - Outstanding Masters/Ph.D./Post Doctorate thesis work Presentation, only 25 presentations acceptable at the Vaccines World 2020 young research forum.

multidisciplinary analysts.

- Actively appropriate data and advance the advantages of training and profession matters.

## Eligibility

- Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty with a minimum of 5 years of research experience
- Presentation must be into scientific sessions of the conference.
- Each Young Researcher / Young Scientist can submit only one paper (as first author or co-author).
- Age limit-Under 35yrs
- All submissions must be in English.

## Benefits

- Young Scientist Award recognition certificate and memento to the winners.
- Our conferences provide best Platform for your research through oral presentations.
- Learn about career improvement with all the latest technologies by networking.
- Young Scientists will get appropriate and timely information by this Forum.
- Platform for collaboration among young researchers for better development.
- Provide an opportunity for research interaction and established senior investigators across the globe in the field.
- Share the ideas with both eminent researchers and mentors.

## Criteria for Selection

- Showcase your examination through oral introductions.
- Learn about profession improvement and the most recent research apparatuses and advances in your field.
- This discussion will give relevant and auspicious data to the individuals who direct research and the individuals who use and advantage from look into.
- Develop an establishment for cooperation among youthful scientists.
- The gathering will give a chance to collegial collaboration with other youthful specialists and set up senior examiners over the globe.
- Interact and offer thoughts with the two friends and coaches.
- Opportunity for youthful scientists to find out about the examination territories of their friends to expand their ability as

Vaccines World 2020 provides best platform to expand your network, where you can meet scientists, authorities and CROs from around the world. It's your time to grab the opportunity to join Vaccines World 2020 for promoting your research article and to facilitate prestigious award in all categories. In this fame, we look forward for your contribution and astonishing dedication to make our Vaccines World 2020 more successful.

We would like to welcome you to join us and share your knowledge as well as your views at Vaccines World 2020 where you will be sure to have a meaningful experience with scholars around the world.
