8th International conference on Earth Science, Climate Change and Space Technology | Paris, France | Nov 5-6, 2020 Earth Science 2019

Ramesh Agarwal,
Indian social worker, Environmentalist, Goldman Environment Prize Awardee, India

Earth Science 2019 was moderated by Maharjan SK (Hiroshima University, Japan) on the first day and on the second day. We were overwhelmed by his magnanimous response.

Earth Science 2019 Organizing Committee extends its feelings and congratulates the Honourable Organizing Committee member of the conference, Nicolas H Younan – Mississippi State University, USA for his outstanding contribution towards smooth functioning of this favouritism event.

Allied Academies offers its heartfelt gratefulness to the Organizing Committee Members, various specialists, and company representatives and is thankful to other eminent personalities who interlaced with allied academies and encouraged the gathering in each perspective, without which the meeting would not have been possible.

Earth Science 2019 has taken the advantage of felicitating Keynote Speaker Y Cengiz Toklu, Beykent University, Turkey whose attempts made the social occasion to move in the method for achievement. We were thankful by your gracious presence.

We sincerely thank all the Participants for their thankful presence, support, and assistance towards the success of Earth Science 2019 Conference.

The eminent personalities at the conference were

- Y Cengiz Toklu, Beykent University, Turkey
- Joachim Quoden, Expra, Belgium
- Hasan Baylavli, Hitit University, Turkey
- and many more

Last however, but not the least Allied Academies Conferences needs to acknowledge with its deep sincere feeling to all the supporters from the Editorial Board Members of our Open Access Journals, Keynote speakers, Honourable guests, Valuable speakers, students, delegates and special because of the Media partners for their promotion to form this event a large success.

We hope your favourable support can create next series “8th International conference on Earth Science, Climate Change and Space Technology” in Nov 5-6, 2020 at Paris, Francean additional grand success event.
