It's all our pleasure to announce that during the year 2019, all issues of volume 6 were published online within the time and the print issues were also brought out and dispatched within 30 days of publishing the issue online. Beside, our journal is planning to bring an online special issue (Spinal Cord Injury & Rehabilitation) in 2020. The Impact factor of the Journal is 1.01, Research gate Impact Factor is 0.16, while Index Copernicus Value (ICV) is maintaining its value to 84.15. During the calendar year 2019 the journal received many papers, which underwent preliminary screening for plagiarism, after passing preliminary screening and peer-review process, we published papers in 2019. Average review process time is 6-8 weeks from qualified eminent reviewers. Our review process can be tracked by the authors at any time and can contact us through online portal system. We are releasing issues in the frequency of bi-monthly. We also support its related conferences which are going on world-wide. International Journal of

Neurorehabilitation is having a huge editorial board in which editors highly efficient who participates actively in the development of Journal. I take this opportunity to thank my Editorial Board members and reviewers who are actively taking part in editing of articles to publish the papers. Thanks to their generous support towards the journal. We would also like to thank our mass mailing team which is very helpful in this journey.

According to the Google Analytics our Journal is getting good number of visitors (150,000+) to our website. Mostly readers/visitors are from USA, Japan, Sweden, Italy, India, Portugal, etc.

We are happy to inform you that our Twitter account is having 500+ followers in the span of 6 months. We also have 200+ followers in linkedin, 500+ facebook followers. We also getting good responses from the websites like Academia.edu which is a good platform for the researchers, students.

We are receiving good number of articles in 2020, expecting to receive more unique and quality articles which enhance our journal reputation in the upcoming days.

We are proud to announce that our journal successfully completed 2 issue releases and will release one more issue by end of June'20.

More cooperation from editors and flawless support from our reviewers will boost the journal to reach more heights.

I would like to announce a special issue (Spinal Cord Injury & Rehabilitation). Making this as a platform, we are inviting our guest editors and authors to exploit the opportunity and make it successful with your knowledge. This is an open invitation to all the guest editors and authors for our special issue.
