

3rd World Congress on Animal Health

Alejandro De la Parra Solomon

The Conference "3rd World Congress on Animal Health" gives piece of appreciation by providing recognition through awards for speakers, delegates, young researchers.

Awards presented for the attendees are:

- Best Young Researcher forum
- Best Poster presentation
- Best Outstanding Speaker
- Best Key Note Speaker
- Best Organising Committee Member

The selection will be based on the following Guidelines

1. Presentation Style
2. Research Quality
3. Design/Layout
4. Method of Explanation
5. Responses for questions from Judiciary members

Poster presentation Benefits:

- Unique opportunity to combine visual and oral explanations of your projects in the form of poster presentations
- Best poster Award: 3 best posters will be awarded at the closing ceremony of the conference
- The entire accepted poster abstract will be published in reputed and supporting international journals with unique DOI given by CROSSREF
- Best posters will be given an opportunity to publish the full work at discounted processing charges in the supporting international journals

The selection should be based on the following

- Posters will be judge based on the following three parameters; those are Presentation Style (5), Research Quality (5) and Layout/Design (5).
- Poster presentation clarity and oral explanation.
- Perfect answer to the overall question from Poster Judges and the completeness of work

Poster Presentation guidelines:

- The poster size should be in the format: 40" x 59" or 1X1.5 Sq.Mts.
- The content space should be proportional: divide the poster either horizontally or vertically into three or four sections, and place the materials within those spaces.
- Use large font text (your text should be at least 18-24 pt; headings 30-60 pt; title >72pt.)
- Choose the colors Professionally, carefully and pay attention to contrast.
- Cropping, Margins and Spacing: All the edges and margins should be in a straight line and even order. The content shouldn't be overcrowd and it should be balance from top to bottom and from either sides of margin. Organize the elements into columns.
- The content and information should not be too little
- Posters should have the following information.

- 1.Title (with authors and affiliations)
- 2.Introduction
- 3.Objectives
- 4.Aims
- 5.Methods
- 6.Results
- 7.Conclusion
- 8.References
- 9.Acknowledgements
- 10.Contact information

- The Posters should stimulate discussion, do not give a long presentation. Therefore, keep minimum text with crispy content, emphasize graphics, and make sure every information in your poster is necessary.
- The ink while using for printing should be in high quality.
- No other Laptops, computers or extra aids shouldn't be used during a poster presentation.
- Posters should be kept at the allotted places before 2 hours prior to the poster session and can be removed at the end of the conference.
- Keep the poster for 15 minutes per visitor/judge (10 minutes discussion regarding research & 5 minutes query session).
- Maximum 2 participants can present a single poster for the poster presentation.
- The participants should stand on sides of poster. Therefore allow other scientists to visit and view the posters.
- Carry your poster to the meeting hall or poster presentation hall, by using tubular packaging or a portfolio case.
