Vince Jordan

Head of the Health Sciences Department, Cornell University, USA, E-mail: vincejordan2019@gmail.com

The conference “11<sup>th</sup> Asia Pacific Global Summit on Healthcare” hosted by Conference Series was held during **May 08-09, 2019** in **Tokyo, Japan** was successfully completed with the theme “*Leading Innovation for Better Healthcare and Nursing Systems*” offered a unique opportunity for investigators across the globe to meet, network, and perceive new scientific innovations. Benevolent response and active participation was received from the scientists, professors, lecturers, healthcare industries, researchers and students from the fields of medical and health, those who involved in this successful event.

The conference was initiated with the honorable presence of the Keynote forum. The list includes:

- Title: Self-care behaviors among adolescent pregnancy in Samut Sakhon province, Thailand

Duangkamol Viroonudomphol, *Siam University, Thailand*

- Title: The treatment of acne as a strategy to improve contraceptive adherence in Colombian young women

John Palacio-Cardona, *Universidad Santiago De Cali, Colombia*

Conference Series is organizing “**Asian meet on Dengue, Malaria and Vector Borne diseases**” which is going to be held during **August 26-27, 2020** in **Kyoto, Japan**. The theme of the conference is “Diagnostic Advancements in **Dengue** & **Malaria**”. The conference will cover the fields related to Infectious Diseases. The conference has been carefully designed to acknowledge the various recent researches going on in the field of Gynecology and Women Health. In addition to the paper presentations, the conference will provide its attendees to

attend sessions of presentations and debates, workshops and symposiums as well as **poster presentations**. This conference on Dengue, malaria will deal with various tracks from the different fields of Healthcare. The congress provides you with a unique opportunity to meet up with peers from both industry and academia. We co-cordially invite all concerned people to come and join us at our event and make it a successful one by your esteem participation.

Key Highlights:

- Best platform to develop new collaborations & partnerships
- 89% of our conference attendees are the key contacts in their lab purchasing decisions.
- Our exhibitor booths were visited 4-5 times by 80% of the attendees during the conference.
- Past exhibitor’s feedback reveals an ample number of inquiries received from the conference attendees.
- Network development with both Academia and Business.
