

Announcement: Global Gather on Nutritional Epidemiology and Public Health October 16-17, 2020 in London, UK

Mohammad Usman

Former Director General of Agricultural Research System, Government of Pakistan, E-mail: usmankhan1949@yahoo.com

We are happy to announce the Global Conference on Nutritional Gather 2020 scheduled to be held in October 16-17, 2020 in London, UK.

The theme for the Nutritional Gather Congress is "Magnifying Clinical Standards for Advanced Health Practice"

Nutritional Gather 2020, a two-day meet, aims to accumulate ardent minds ranging from frontiers to novices to discover, explore and create prospects to gain a safer and cleaner tomorrow with nutrition and public health

Our Nutritional Gather 2020 conference focuses to create a medium to connect eminent personalities from different backgrounds of Nutritional Gather 2020 including Public Health, Nutrition, Epidemiology and Public Health, Oncology Epidemiology, Malnutrition and Micronutrients, Reproductive Women Health, Public Health Dentistry and so on. This not only helps to spark new research ideologies but also craft a network of high profile and skilled people to protect the future.

The London Nutritional Gather conference expects to compile 150+ participants mainly from Public Health Associations, Research Scientists, Public Health Industries, Nutrition Researchers, Business Entrepreneurs, Public Health professionals, Food technologist, and Public Health officers, Nutritionists, Microbiologist, Waste Management Associations, and Dietician.

The scientific contributions towards our London Nutritional Gather conference welcome in the form of oral, video, poster presentations/workshops and seminars/ networking sessions/ exhibits. These tracks are designed to reveal and augment the expertise of the attendees. We truly believe Nutritional Gather 2020 conference to attain greater heights and success.

Nutritional Gather 2020 welcomes all the professionals, professors, students, research and Nutritionists, business delegates to venture into

complete Public Health experience at October 16-17, 2020 in London, UK
