

Dear readers,

I am delighted to introduce the a rapid peer reviewed journal which is a valuable source of information for scholars, researchers, professionals, and students, providing in-depth perspectives on intriguing contemporary topics with an ethos of openness, we are passionate about working with the global academic community to promote open scholarly research to the world. I am pleased to announce that, 5 issues of the Edition 11 were published online well within the time and the print issues were also brought out and dispatched within 30 days of publishing the issue online during the year of 2020.

The major objective of ASSJ is to publish up-to-date, high-quality and original research papers alongside relevant and insightful reviews. The Journal aims to flourish and to maintain the standards in Art and social science research and practices, providing an excellent platform and opportunity to present evidence based research, reviews, case studies that probably is much in deed for students, professors, aspiring researchers .

Average download per article is increasing and on an average there are 10 downloads per paper. All these are promising signs. We could reach this stage through the constant support of Board Members and intellectual generosity of the readers and contributors (authors and reviewers).

I take this opportunity to acknowledge the contribution of Editor-in-Chief: Remi Baudoui, during the final editing of articles published and the support rendered by the editorial assistants in bringing out issues of ASSJ in time. Lastly I would like to express my gratitude to all the authors, reviewers, the publisher, the advisory and the editorial board of the Journal, the office bearers for their support in bringing out yet another volume and look forward to their unrelenting support for the successful release of upcoming editions

Any papers that you wish to submit, either individually or collaboratively, are much appreciated and will make a substantial contribution to the early development and success of the journal. Best wishes and thank you in advance for your contribution to the Arts and Social Sciences Journal.
