

Award announcement for Astronomy, Astrophysics & Astrobiology

Mustafa Khamis

American University of Sharjah, United Arab Emirates

Conference series llc ltd. is organizing “2nd International Conference on Astronomy, Astrophysics & Astrobiology” which is going to be held in the month of December 02-03, 2020 at Auckland, Newzealand.

The conference offers emerging scholar awards to outstanding researchers, scientists, exceptional graduates or early academicians who have distinctive enthralment towards the conference theme. The Award strives in providing a strong professional development opportunity for early career academicians meeting experts in the field, interacting with colleagues from other parts of the world, and creating networks and long-term relations.

Expert Level (Scientific Service Achievement Award)

Expert Level: The award is meant to the experts who have made exceptional contribution in the field of [Astronomy Research](#). This award is the most prestigious award of the conference and that is why it is also known as Scientific Service Achievement Award. One who is having at least 20+ years of experience (public /private sector) in relevant subject field is eligible for achieving this award. The recipient of the award must have a keen interest in opening the new horizons and researching the latest developments in the relevant field. Deserving nominees can be awarded online as well.

Professional Level (The Research Contribution Award)

The Award for professional or academic research activity acquired in [Physics Research](#) field in the public or private sector for experts having research knowledge at 10+ years in the field Brain disorder with most relevant accomplishments. Part-time research experience would be counted as pro-rata. It is calculated starting from the date when you obtained the (first) degree entitling you to embark on a doctorate (either in the country in which the degree was obtained or in the country in which the researcher is recruited), even if a doctorate was never started or envisaged. You can nominate deserving candidates through online portal.

Scholar Level (The Upcoming Researcher Award)

The Astronomy conference offers Scholar Level Astrobiology Research Award for the upcoming scientists, researchers and experts having 10+ years research experience in the field of Physics. Our Astronomy conference would like to provide best platform to expand your network by sharing your research knowledge at stage.

Presentation includes 25-30 minutes of oral talk on the scientific research topics based on the theme of the Bridging the gap between Human, Space and Earth along with 5 minutes panel discussions. You can nominate deserving of the award through online. Deserving nominees can be awarded online as well.

Women Scientist (The Women of Science Award)

Astronomy Conference provides a unique platform for women scientists for presenting latest research projects with an in-depth analysis. We cordially invite women scholars and scientists from Universities/ Industries to who have 10+ years of research experience to join the forum. We are happy to encourage our women scientist's participants through Astrophysics research awards and provide assistance for women scholars in career development and Astrobiology research guidance through our collaborations. Women Scientist can nominate deserving candidates through online.

Outstanding speaker and Best Keynote Speaker in Astronomy 2020

The award is meant for the individuals who can present their projects, strategies, schemes, etc., or have been implemented as well for the long term excellence in the field of Astrophysics. Deserving nominees can be awarded online as well.

The award name itself denotes that the award is for the best speaker of the conference. Anyone who can present his/her project, Strategy and a scheme or have proved fruitful for the long term excellence in the field of Astrobiology. Deserving nominees can be awarded online as well.

Best Poster Presentation in Astronomy 2020

Astronomy Conference comprises many poster presentations and the speakers designated as poster judges will nominate one poster presenter for the Best Poster Presentation Award. Conference Series aims at to provide a platform for all the promising scientists and budding researchers to present their research work, views and different aspects of the theme Bridging the gap between Human, Space and Earth. Deserving nominees can be awarded online as well.

Outstanding Masters/Ph.D./Post Doctorate thesis work Presentation in Astronomy 2020

The award is designated for the Masters/Ph.D./ Post Doctorate students who can present their thesis and projects or have executed the same for the long term excellence in the field of [Astrobiology](#). Deserving nominees can be awarded online as well.
