### Expert Level (Scientific Service Achievement Award)

The award to the experts who have made outstanding contributions to advancements in Nutrition and Food Chemistry. It is the most prestigious award of the whole conference and is tagged as scientific service Achievement award. The eligibility criteria for achieving this award is that one should have minimum of 20+ years of experience in the relative field in public or private sector. The receiver of this award should have a dedicated fascination and should take initiative in researching the recent trends and developments towards the related subjects. The deserving candidate can be nominated online.

### Professional Level (The Research Contribution Award)

The Award for professional or academic research activity acquired in Food Chemistry research field in the public or private sector for experts having research knowledge for 10+ years in the field of Nutrition and Food Chemistry with most relevant accomplishments. Part-time research experience would be counted as pro-rata. It is calculated starting from the date when you obtained the (first) degree entitling you to embark on a doctorate (either in the country in which the degree was obtained or in the country in which the researcher is recruited), even if a doctorate was never started or envisaged. The deserving candidate can be nominated online.

**Scholar Level (The Upcoming Researcher Award)** The conference offers Scholar Level Award for the upcoming scientists, researchers and experts having 10+ years research experience in the field of Nutrition, Food Chemistry, Food Analysis and Food Preservatives. Our conference would like to provide best platform to expand your network by sharing your research knowledge at stage. Presentation includes 25-30 minutes of oral talk on the scientific research topics based on the theme of the conference "Exploring Recent Advancements in Food Chemistry and Technologies" along with 5 minutes panel

discussions. The deserving candidate can be nominated online.

### Women Scientist (The Women of Science Award)

20th World Congress on Nutrition and Food Chemistry provides a unique platform for women scientists for presenting latest research projects with an in-depth analysis. We cordially invite women scholars and scientists from Universities/ Industries to who have 10+ years of research experience to join the forum. We are happy to encourage our women scientist's participants through research awards and provide assistance for women scholars in career development and research guidance through our collaborations. Women scientists can nominate deserving candidate for the award online.

### Outstanding speaker in Food Chemistry Congress 2020

This award is recognizing for individual who will present their projects, strategies, and schemes that have been implemented to improve long-term excellence in Nutrition and Food Chemistry. The deserving candidate can be nominated online.

### Best Keynote Speaker in Food Chemistry Congress 2020

Student Poster Competition is organized at Food Chemistry Congress 2020, to encourage students and recent graduates to present their original research. All accepted abstracts will be presented at the poster sessions during the conference. Conference Series aims at setting a platform for all the budding scientists and researchers to present their real-time work and share their views and aspects related to the theme of the conference "Exploring Recent Advancements in Food Chemistry and Technologies". The deserving candidate can be nominated online.

### Best Poster Presentation in Food Chemistry Congress 2020

Student Poster Competition is organized at 20th World Congress on Nutrition and Food Chemistry, to encourage students and recent graduates to present their original research. All accepted abstracts will be presented at the poster sessions during the conference. Conference Series aims at setting a platform for all the budding scientists and researchers to present their real-time work and share their views and aspects related to the theme of the conference. The deserving candidate can be nominated online.

#### **Outstanding Masters/Ph.D./Post Doctorate thesis work Presentation in Food Chemistry Congress 2020**

This award is recognizing for Masters/Ph.D./Post Doctorate thesis work Presentation who will present their projects and thesis that have been implemented to improve long-term excellence in the field of Food Chemistry and Nutrition. You can nominate deserving of the award through online. The deserving candidate can be nominated online.

#### **Importance of Award:**

1. The award attracts readers and authors who will be more likely to consider a company or author's work over another if it has won an award.
2. Being nominated or shortlisted can be helpful because it places you at the forefront of your genre and Work.
3. Awards can make you and your titles more visible. They can attract new customers, investors and authors by giving an organization an edge over its competitors.
4. Awards do not only acknowledge success; they recognize many other qualities: ability, struggle, effort and, above all, excellence.
