

Awards 2020 of Public Health

Yamini Tiwari

Associate Professor, Vivekananda Global University, Jaipur, India, E-mail: yamini.tiwari@vgy.ae.in

The organising committee members of “[Annual Meet on Epidemiology and Public Health](#)” going to be held from Oct 26-27, 2020 at Osaka, Japan have finally revealed the theme for this year’s [Epidemiologistics 2020](#). The Theme of the conference is “[to gather global leading educational scientists, researchers and research students, to exchange and share their experiences and research results about all the aspects of Epidemiology and Public Health](#)”. Conference Series and the organising committee of [Epidemiologistics 2020](#) acknowledges the efforts and contribution of scholars, researchers, academicians, and scientists in the field of Pharmaceutical Sciences, Pharmaceutical formulations, Biopharmaceutics and Pharmaceutical materials, and has decided to introduce various achievement awards for all the participants. [Epidemiologistics 2020](#) conference will offer various awards to outstanding researchers, scientists, exceptional graduates or early academicians who have a notable contribution to the field and possess keen interest towards the conference theme. The awards strive in providing a strong professional development opportunity for all researchers at different levels of their careers. Moreover, our conferences will provide a much needed time and space for all to interact with colleagues from different parts of the world and to create long lasting networks and relations.

Below are some of the special awards that are being offered at [Epidemiologistics 2020](#).

Expert Level (Scientific Service Achievement Award)

The award to the experts who have made outstanding contributions to advancing in [Epidemiology and Public Health](#). It is the most prestigious award of the whole conference and is tagged as scientific service Achievement award. The eligibility criteria for achieving this award is that one should have minimum of **20+ years of experience** in the relative field in public or private sector. The receiver of this award should have a dedicated fascination and should take initiative in researching the recent trends and developments towards the related subjects. You can nominate deserving of the award through online.

Professional Level (The Research Contribution Award)

The Award for professional or academic research activity acquired in [Epidemiology and Public Health](#) research field in the public or private sector for **experts having research knowledge at 10+ years** in the field of [Epidemiology and Public Health](#) with most relevant accomplishments. Part-time research experience would be counted as pro-rata. It is calculated starting from the date when you obtained the (first) degree entitling you to embark on a doctorate (either in the country in which the degree was obtained or in the country in which the researcher is recruited), even if a doctorate was never started or envisaged. You can nominate deserving of the award through online.

Scholar Level (The Upcoming Researcher Award)

“[Annual Meet on Epidemiology and Public Health](#)” offers Scholar Level Award for the upcoming scientists, researchers and experts having **10+ years research experience** in the field of [Epidemiology and Public Health](#). Our conference would like to provide best platform to expand your network by sharing your research knowledge at stage. Presentation includes 25-30 minutes of oral talk on the scientific research topics based on the theme of the conference along with 5 minutes’ panel discussions. You can nominate deserving of the award through online.

Women Scientist (The Women of Science Award)

[Epidemiologistics 2020](#) provides a unique platform for women scientists for presenting latest research projects with an in-depth analysis. We cordially invite women scholars and scientists from Universities/ Industries to who have **10+ years of research experience** to join the forum. We are happy to encourage our women scientist’s participants through research awards and provide assistance for women scholars in career development and research guidance through our collaborations. Women Scientist can nominate deserving of the award through online.
