

Awards 2020 of World Congress on Biosensors and Bioelectronics

Dr. Alireza Heidari

Ph.D., D.Sc., Biomolecular Spectroscopy, California South University, USA, E-mail: Alireza.Heidari@calsu.us

Be a part of Biosensors Congress 2020: Submit your research & get an award for the best research in Biosensors

[Biosensors Congress 2020](#) offers rising researcher grants to remarkable scientists, outstanding alumni or early academicians who have particular enthrallment in Biosensors and Bioelectronics. The Award endeavours in giving an expert improvement open door for researchers' academician, Biosensors technicians. associating with partners from different parts of the world and making systems and long-haul relations.

The Committee annually invites applications for the awards below on a broad range of research topics from surgeons currently registered for Biosensors Congress 2020.

Expert Level (Scientific Service Achievement Award)

The award to the experts who have made outstanding contributions to advancing in Biosensor and Bioelectronics. It is the most prestigious award of the whole conference and is tagged as scientific service Achievement award. The eligibility criteria for achieving this award is that one should have minimum of 20+ years of experience in the relative field in public or private sector. The receiver of this award should have a dedicated fascination and should take initiative in researching the recent trends and developments towards the related subjects. You can nominate deserving of the award through online website of [Biosensors Congress 2020](#).

Professional Level (The Research Contribution Award)

The Award for professional or academic research activity acquired in Biosensors and Bioelectronics research field in the public or private sector for experts having research knowledge at 10+ years in the field of Biosensor and

Bioelectronics with most relevant accomplishments. Part-time research experience would be counted as pro-rata. It is calculated starting from the date when you obtained the (first) degree entitling you to embark on a doctorate (either in the country in which the degree was obtained or in the country in which the researcher is recruited), even if a doctorate was never started or envisaged. You can nominate deserving of the award through online website of [Biosensors Congress 2020](#).

Scholar Level (The Upcoming Researcher Award)

The conference offers Scholar Level Award for the upcoming scientists, researchers and experts having 10+ years research experience in the field of Biosensor and Bioelectronics. Our conference would like to provide best platform to expand your network by sharing your research knowledge at stage. Presentation includes 25-30 minutes of oral talk on the scientific research topics based on the theme of the conference along with 5 minutes panel discussions. You can nominate deserving of the award through online website of [Biosensors Congress 2020](#).

Women Scientist (The Women of Science Award)

Our Conference provides a unique platform for women scientists for presenting latest research projects with an in-depth analysis. We cordially invite women scholars and scientists from Universities/ Industries to who have 10+ years of research experience to join the forum. We are happy to encourage our women scientist's participants through research awards and provide assistance for women scholars in career development and research guidance through our collaborations. Women Scientist can nominate deserving of the award through online website of [Biosensors Congress 2020](#).

Outstanding speaker in Biosensors Congress 2020

This award is recognizing for individual who will present their projects, strategies, and schemes that have been implemented to improve long-term excellence in Biosensor and Bioelectronics. You can nominate deserving of the award through online website of [Biosensors Congress 2020](#).

Best Keynote Speaker in Biosensors Congress 2020

This award is recognizing for best Keynote speaker who will present their projects, strategies, and schemes that have been implemented to improve long-term excellence in Biosensor and Bioelectronics. if you were confirmed as keynote presenter from the program manager, you can nominate someone deserving of the award through online website of [Biosensors Congress 2020](#).

Best Poster Presentation in Biosensors Congress 2020

Student Poster Competition is organized at Conference, to encourage students and recent graduates to present their original research. All accepted abstracts will be presented at the poster sessions during the conference. Conference Series aims at setting a platform for all the budding scientists and researchers to present their real-time work and share their views and aspects related to the theme of the conference. You can nominate someone deserving of the award through online website of Biosensors Congress 2020.

Outstanding Masters/Ph.D./Post Doctorate thesis work Presentation Biosensors Congress 2020

This award is recognizing for Masters/Ph.D./Post Doctorate thesis work Presentation who will present their projects and thesis that have been implemented to improve long-term excellence in the field of Biosensor and Bioelectronics. You can nominate deserving of the award through online. You can nominate someone

deserving of the award through online website of Biosensors Congress 2020.
