

Awards and Recognition for 40th Euro Congress on Cancer Science & Therapy

Marvin Koon

Researcher, Department of Cancer, University of Mauritius, Mauritius marvinkoon@hotmail.com

Research Contribution and Achievement

Conference Series LLC encourages and recognizes research excellence and leadership by recognizing the outstanding researchers, exceptional graduates or early academicians who have distinctive enthralment towards the conference themes. The awards help to raise the profile of talented individuals and the organizations, interacting with colleagues from other parts of the world and creating networks and long-term relations.

Expert Level

The award will be presented to the expert researchers who have done exceptional work in the field of Cancer Science. The award is considered the most distinguished award in the whole conference and it is termed as Scientific Service Achievement Award. The researchers should have a minimum of 20 years of research experience in the respective field.

Professional Level

The award will be presented to professional researchers in the field of Cancer Science with most relevant accomplishments. The award is termed as The Research Contribution Award. The researchers should have a minimum of 10 years of experience in academic professional research.

Scholar Level

The award will be presented to upcoming researchers and scientists in the field of Cancer Science with a minimum of 10 years of experience. This award is presented to strengthen and enhance the highest level of disciplinary and interdisciplinary research related to the area of Cancer Science. The researchers should bring new technologies and innovations to their work according to the new trends in their field. The award is designed to promote interest and acceptance of the poster in Cancer Science research, to increase the quality of poster presentations, and to acknowledge excellence in this valuable medium.

Women Scientist

This award highlights major contributions done by female scientists related to the field of Cancer Science. The award will be presented to Women Scientists and researchers in the field of Cancer Science with a minimum of 10 years of experience in relevant field. The award is termed as The Women of Science Award. We are happy to encourage our women scientist's participants through research awards and provide assistance for women scholars in career development and research guidance through our collaborations.

Outstanding Speaker

We aim to foster theoretical endeavors and innovative problem solving methods in the field of Cancer Science. In this category of award, we wish to acknowledge the speakers with great presentation skills, influential research work and long term excellence in the field of Cancer Science.

Best Keynote Speaker

This Award recognizes excellence in research as displayed in different ways that may impact Human wellbeing. The award will be presented to the best keynote speaker with a distinguished research work, projects and strategies that will give a new trend in the field of Cancer Science. The right keynote speaker adds an extraordinary feel to the conference.

Best Poster Presentation

The poster presentation with a background provides appropriate perspective/context for the subject. The research design should be appropriate and transparent. The award is designed to promote interest and acceptance of the poster in Cancer Science research, to increase the quality of poster presentations, and to acknowledge excellence in this valuable medium.
