It gives us immense pleasure to inform you that we are started a next edition of "International Conference on Clinical and Medical Case Studies Healthcare Management" hosted by the Conference Series is going to held on May 15-16, 2020 in Tokyo, Japan with the theme Collaborative Strategies and Innovative Approaches to fight Clinical Case Reports Research offering a unique opportunity for investigators across the globe to meet, network, and perceive new scientific innovations.

The Clinical Case Reports Congress 2020 will be hosting presentations based upon the few highlights as Human Pathology and Diabetes, Pediatric, Surgery, Primary Care, Autopsy, Clinical Research, Neurology, Clinical Microbiology and Research for Diabetes and many more.

### Expert Level

It is the most prestigious award of the whole conference and is tagged as scientific service Achievement award. The experts who are having more than 20+ years of experience of the related subject field can apply for this award. The person should have the patent or well established research in the field of healthcare. Now you can apply for this in our conference, CLINICAL CASE REPORTS 2020.

### Professional Level

It is also one of the prestigious awards for the conference, CLINICAL CASE REPORTS 2020. The experts of healthcare who are having near about 10 years of experience they can apply for this award. Part-time research experience would be counted as pro-rata. It is calculated starting from the date when you obtained the (first) degree entitling you to embark on a doctorate (either in the country in which the degree was obtained or in the country in which the researcher is recruited), even if a doctorate was never started or envisaged.

### Scholar Level

This award is for all the researchers who are going to establish or going to join a new area for the healthcare. CLINICAL CASE REPORTS 2020 would like to provide best platform to expand your network by sharing your research knowledge at stage through their enchanting speech. You can nominate deserving of the award through online.

### Women Scientist

This is our unique opportunity for the women scientist/researcher. Women scientist can apply for the respectful award. This is also a great side of CLINICAL CASE REPORTS 2020 We cordially invite women scholars and scientists from Universities/ Industries to join the forum. We are happy to encourage our women scientist's participants through research awards and provide assistance for women scholars in career development and research guidance through our collaborations.

### Outstanding Speaker

This award is recognizing for individual who will present their projects, strategies, and schemes in from of the gathering of CLINICAL CASE REPORTS 2020 that have been implemented to improve long-term excellence.
