World Dermatology 2020 Scientific Committee is honored to welcome you all to attend 21st World Dermatology Congress which will be held during March 23-24, 2020 at Tokyo, Japan.

World Dermatology 2020 will raise the most dynamic and latest issues in the field of Dermatology. The Congress will highlight the discussion around the theme “Contemporary Modes to Escalate Research in Dermatology” by bridging the gaps between the intellectuals from across the globe to enlighten their research and findings at World Dermatology 2020. The highlights of the conference includes Dermatology, Clinical Dermatology, Paediatric Dermatology, Dermatological Diseases, Psoriasis, Hyperpigmentation and Vitiligo, Leprosy, Skin Cancer, Mohs Surgery, Dermatological Techniques, Alopecia and Scalp Problems and many more.

World Dermatology 2020 offers emerging scholar awards to the outstanding researchers, exceptional graduates or early academicians who have distinctive enthrallment towards the conference themes.

Below are the award categories:

Expert Level (Scientific Service Achievement Award):

Expert level Award is contributed to them who have made tremendous contributions which assisted in developing new advancements in the field of Dermatology. The one who has completed MD, PhD, MD/ PhD or equivalent and having around 20+ years' experience and significant, independent contribution in the respective fields such as Cosmetic Dermatology, Pediatric Dermatology, Dermatological Techniques, Trichology and Hair Transplant etc. will be presented the Expert level Award.

Major points that are taken into consideration before selecting him/ her for Expert level Award are: one should have dedicated fascination and researching the recent trends as well as developments in the field of Dermatology.

Professional Level (The Research Contribution Award):

The Professional level Award or the Research Contribution Awards is contributed to them who have made significant contributions in the respective fields like Dermatology, Nanotechnology in Dermatology, Cosmetic Dermatology, Skin Infections and Skin Cancer etc. and having around 10+ years' experience in the field of Dermatology.

The one, who will be selected for this award, should have good knowledge regarding the advancements that are taken place

from past few decades to the current advancements that are taking place now in the field of Dermatology.

Scholar Level (The Upcoming Researcher Award):

In order to encourage the upcoming researchers, scientists and experts who are interested to grow their career in the field of Dermatology, the Upcoming Researcher Awards will be presented.

The one who have made immense contributions regarding the respective fields such as Nanotechnology in Dermatology, Dermatological Diseases, and Tele dermatology etc. and having 10+ years research expertise in Dermatology field he / she will be selected for this award. Our conference provides around 25-30 minutes of time to exhibit their research in Dermatology field in the form of oral presentation.

Women Scientist (The Women of Science Award):

Our conference cordially invites women scholars and scientists from Universities/ Industries from all over the world to present their research. It is the best platform for women who are having 10+ years of experience in order to exhibit their research to the world with an in-depth analysis.

We are happy to encourage women by providing them an opportunity to exhibit their research and presenting them the Women Scientist or the Women of Science Award which will assist them in their career development.

Outstanding speaker in World Dermatology 2020:

The one is contributed to the one who will present their research, schemes and strategies that have been implemented in order to enhance long-term in the field of Dermatology.

Best Keynote Speaker in World Dermatology 2020:

The one who is highly affiliated and has expertise in the Dermatology field will be considered as Keynote Speaker by the program Manager. They will be given more time to present their research at the conference. Our conference session starts with the keynote speaker.

Best Poster Presentation in World Dermatology 2020:

In order to encourage students as well as recent graduates regarding their research presentation, Student Poster Competition is organized. All the accepted abstracts will be displayed during the conference in the poster format. This will help the participants to enhance their knowledge and exhibit their views regarding the field Dermatology.

**Outstanding Masters/Ph.D./Post Doctorate thesis work
