

Awards at Pollution Control 2020

Nassar MI

Cairo University, Egypt, E-mail: mmnassar2002@yahoo.com

From the successful completion of several International conferences in the field of **Pollution Control** and **Environmental Science** the Conferenceseries group is glad to include another international conference in the series. The conference is tilted as "9th Environmental Science and **Pollution Control** Congress" the conference will be held on October 12-13, 2020 at London, UK.

The special moment added in the conference is award distribution. The award is to encourage the speakers, participants, Keynote speakers, Young scientist people etc., There are several categories are introducing to provide the awards. The awards will be delivered by the chairperson at the end of the conference.

The most important category awards are:

1. Best Keynote Speaker.
2. Best Speaker
3. Poster presentation Award
4. Young Scientist Award
5. Best Question Award

Best Keynote Speaker

The best keynote speaker award will be given to the people who are presenting their presentation at the **Pollution Control** conference in a keynote speaker category. This award will be decided by the chairperson in the conference. This award is the most prominent and prestigious award given in the conference.

Best Speaker

The best speaker award will be given based on the research idea and how the person presenting their idea in the forum. The research idea should enhance, and it should be implemented in the real time treatment technique in the **Pollution Control**. The best speaker will be decided by the keynote speaker who is participating in the conference. The people could participate under the categories which they have been registered.

Poster Presentation Award

The people under poster presentation category will be awarded with the best poster presenter. This will be selected based on the fascinating idea and it should create awareness among the people about the **Pollution Control**. This award will be decided by the organizing committee in the conference. The most fabulous moments are waiting in the conference to be happening.

Young Scientist Award

The conference of **Pollution Control** will also recognize and provide honor to the young research people who are fascinated to bring the changes in the treatment techniques. This award will be provided to the students.

Best Questioner award

This will be the different and most interested award given to the delegate who is asking queries to the speakers, research people presenting the research work. From delegates who is asking the

most valuable and knowledgeable question to the presenter they will be provided with the best questioner award.

The conference will be having the workshop, scientific session, poster presentation, video presentation, etc., People who are attending the conference are Industry people, research people, professors, head of the departments, **Pollution Control Specialist**, and etc., kindly spent a day at the useful place to gain a more knowledge.
