The organising committee members of 6<sup>th</sup> World Heart Congress have finally revealed the theme for this year's **Heart Conference 2020** and it is going to be **Gathering the new born advances in Cardiology**. Conference Series and the organising committee of **Heart Conference 2020** acknowledges the efforts and contribution of scholars, researchers, academicians, and scientists in the field of Cardiology and has decided to introduce various achievement awards for all the participants. **Heart Conference 2020** conference will offer various awards to outstanding researchers, scientists, exceptional graduates or early academicians who have a notable contribution to the field and possess keen interest towards the conference theme. The awards strive in providing a strong professional development opportunity for all researchers at different levels of their careers. Moreover our conferences will provide a much needed time and space for all to interact with colleagues from different parts of the world and to create long lasting networks and relations.

### Expert Level (Scientific Service Achievement Award)

The award is for experts who have made remarkable contributions in the advancements of **Cardiology research**. It is the most prestigious award of the whole conference and is tagged as Scientific Service Achievement award. The eligibility criteria for achieving this award are, one should have minimum of **20+ years of experience** in the relative field in public or private sector. The recipient of this **award** should have a dedicated fascination and should take initiative in researching the recent trends and developments towards the related subjects.

### Professional Level (The Research Contribution Award)

The Award for professional or academic research activity acquired in Cardiology research field in the public or private sector for **experts having research knowledge at 10+ years** in the field of **Cardiology** with most relevant accomplishments. Part-time **research experience** would be counted as pro-rata. It is calculated starting from the date when you obtained the (first) degree entitling you to embark on a doctorate (either in the country in which the degree was obtained or in the country in which the researcher is recruited), even if a doctorate was never started or envisaged.

### Scholar Level (The Upcoming Researcher Award)

The conference offers Scholar Level **Award** for the upcoming scientists, researchers and experts having **10+ years research experience** in the field of **Cardiology**. Our conference would like to provide best platform to expand your network by sharing your research knowledge at stage. Presentation includes 25-30 minutes of oral talk on the scientific research topics based on the theme of the conference along with 5 minutes panel discussions.

### Women Scientist (The Women of Science Award)

Our **Conference** provides a unique platform for women scientists for presenting latest research projects with an in-depth analysis. We cordially invite women scholars and scientists from Universities/ Industries to who have **10+ years of research experience** to join the forum. We are happy to encourage our women scientist's participants through research awards and provide assistance for **women scholars** in career development and research guidance through our collaborations. Women Scientist can nominate deserving of the award through online.

### Best Keynote Speaker and Outstanding Speaker in CLINICAL CARDIOLOGY CONGRESS 2020

This award is recognizes for **best Keynote speaker and Outstanding speaker** award who will present their projects, strategies, and schemes that have been implemented to improve long-term excellence in **Cardiology**.

The award "Best Keynote Speaker" is offered by the **Heart Conference 2020** congress to the individual who delivers the projects, strategies, and schemes that have been implemented to improve long-term excellence in **Cardiology** and **Cardiac Surgery**. The eligibility criteria for achieving this award is that one should have minimum of 20+ years of experience in the relative field of Physiotherapy.

### Best Poster Presentation and Outstanding Masters/Ph.D./Post Doctorate thesis work Presentation in HEART CONFERENCE 2020

Student Poster Competition is organized at Conference, to encourage students and recent graduates to present their original research. All accepted abstracts will be presented at the poster sessions during the conference. **Outstanding Masters & post doctor award** is for recognizing the Masters/Ph.D./Post Doctorate thesis work presentation, which will showcase their projects and thesis that have been implemented to improve long-term excellence in the field of **Cardiology**. The deserving candidates will be nominated for the award through online portal. **Conference Series** aims at setting a platform for all the budding scientists and researchers to present their real-time work and share their views and aspects related to the theme of the conference.

### Outstanding Masters/Ph.D./Post Doctorate thesis work Presentation in Heart Conference 2020

The award is designated for the Masters/Ph.D./ Post Doctorate students who can present their thesis and projects or have executed the same for the long term excellence in the field of Cardiology. Deserving nominees can be awarded online as well.
