Editorial Note

Editor of Journal of Chemical Sciences Journal has pleased to mention that we have successfully published 10th volume and has released 4 issues per year. In 2020 it has released volume 11 issue 1 & 2 without any delay. Chemical Sciences Journal is having the Index-Copernicus value of 84.15 and Journal impact factor is 0.42*. Along with these CSJ is having 2150-3494 as its International Standard Serial Number (ISSN). More than 50 well eminent professionals throughout the globe were acting as editorial board members for our journal.

Chemical Sciences Journal (CSJ) follows Editorial and Review tracking system for easy tracking of the manuscript by author, editor as well as publisher. Authors can easily track their manuscript status through the credentials given to author at the time of submission. In 2020 CSJ is strive to acquire quality articles related to Theoretical Chemistry topics such as Density Functional theory methods, Abinitio, Molecular geometry, Molecular docking, Fukui function studies, Electrostatic Potential Surface analysis, etc.

With a good response from the authors we are ready to publish volume 11 issue 3. Over 180 articles were submitted which include research, review articles, case reports, short communications etc. In an average the article acceptance or rejection will be informed to author within 21 to 30 days of initial submission whereas the preliminary quality check result will be acknowledged within 24 to 48 hours of initial submission. For easy contact of authors CSJ has provided with whatsapp contact number in our homepage so that for any queries or concerns authors can easily contact editorial assistant.

CSJ has opted to use social networking platform like twitter, LinkedIn to have easy interaction with authors, reviewers and editors along with the

public and renowned professionals. Journal is having more than 2000 followers in twitter where the recent issues regarding Research in Covid-19 are posted on daily basis. Moreover we would like to thank our readers for their support. We are having more than 1500 readers globally and this will be only possible with open access journals. Our journal provides its google analytics report and the visitor's traffic is the benchmark for the success of any scientific journal and the Chemical Sciences Journal is constantly attracting viewers across the world. Readers from the major countries including United States, Japan, Saudi Arabia, Taiwan, Italy, United Kingdom, Egypt, India, Pakistan, visit our journal domain to learn about the on-going research activities in this field.

For its upcoming volume of Chemical Sciences Journal, is ready to accept Research, Review, Short communications, commentary, Case studies, Case reports, Image articles, Now we are step forwarded and we are accepting video articles from our upcoming issue. All the submissions have been published by providing fast-track peer review process. with the help of authors support and reviewers work we are successfully able to publish article on time we would also like to express my gratitude to all the authors, reviewers, the publisher, the advisory and the editorial board of CSJ, the office bearers for their support in bringing out yet another volume and look forward to their unrelenting support to bring out the Volume 11 issue 3 of CSJ in scheduled time. We promise all of the readers that we do our level best in the upcoming years.
