Clinical Research Conference 2019

Clinical Research 2019 Past Conference Report

Sensing the raising importance of Clinical Research and its developments, Conference Series LLC hosted **25th International Conference on Advanced [Clinical Research and Clinical Trials](#)**, scheduled from September 16-17, 2019 in Rome, Italy. The conference was successful in gathering eminent speakers from various reputed organizations and their paramount talks enlightened the gathering.

The pragmatic meet organized by Conference Series LLC received generous response from the Editorial Board Members of Conference Series LLC Journals as well as expertise from academia, talented researchers and young student community. Researchers and students who attended from different parts of the world made the conference one of the most successful and productive events in 2018 from Conference Series LLC. The conference was marked with the presence of renowned Speakers, Young Researchers, Students and Business Delegates driving the three day event into the path of success with thought provoking keynote and plenary presentations.

The meeting was carried out through various sessions, in which the discussions were held on the following thought provoking and cerebrating scientific tracks:

Innovations in Pre-clinical Research

Clinical Trials in Developing Countries

Innovations in Clinical Trials

Clinical Trials on Different Diseases

Design of Clinical Studies and Trials

Biomedical Devices Clinical Research

Future of [Clinical Trials](#)

Site Management Innovation

Bioethics and Regulatory Compliance

Patient Recruiting & Retention

We are thankful to our Honourable Guests for their generous support and suggestions:

Debabrata Saha, Northern Virginia Section of IEEE Information Theory Society, USA

Ephraim Suhir, Portland State University, USA

Bimal K. Bose, University of Tennessee, USA

Gilbert Lonzarich, University of Cambridge, United Kingdom

Orchidea Maria Lecian, Comenius University, Italy

Vasily Yu. Belashov, Kazan Federal University, Russia

Sándor Kugler, Budapest University of Technology and Economics, Hungary

Qiu He Peng, Nanjing University, China

The conference proceedings were carried out through various scientific-sessions and plenary lectures, of which the following topics were highlighted as Keynote presentations:

“New materials for radiation sources in the mid-infrared region” delivered by **Alessandra Toncelli, Nanoscience Institute-CNR, Italy**

“Matter dynamics in a unitary relativistic quantum theory” delivered by **Eliade Stefanescu, Institute of Mathematics of the Romanian Academy, Romania**

The conference was embarked with an opening ceremony followed by Keynote presentations, Special sessions and a

series of lectures delivered by both Honourable Guests and members of the Keynote forum. The adepts who promulgated the theme with their exquisite talk were:

1. Session Chairs

Laszlo P. Csernai, University of Bergen, Norway

Eliade Stefanescu, Institute of Mathematics of the Romanian Academy, Romania

Paul E Wagner, University of Vienna, Austria

Vasily Yu Belashov, Kazan Federal University, Russia

2. Special Session

Mioara Mugur Schachter, University of Reims, France
