Department of Medical microbiology and parasitology, Faculty of Basic Medical Sciences, Obafemi Awolowo University, Ile-Ife, Osun state, Nigeria.

Editorial

We are pleased to welcome you to the "International Conference on Stem Cell, Tissue Engineering and Regenerative Medicine" after the successful completion of the series of Stem Cell Research 2020. The congress is scheduled to take place in the beautiful city of Rome, Italy on September 29-30, 2021. This Stem Cell Research 2021 conference will provide you with an exemplary research experience and huge ideas.

The perspective of the Stem Cell Conference is to set up transplant research to help people understand how treatment techniques have advanced and how the field has developed in recent years.

Longdom proffers our immense pleasure and honour in extending you a warm invitation to attend Stem Cell Research 2021 in Rome, Italy on September 29-30, 2021. It is focusing on "Advancement in Stem Cell Biology and Regenerative Medicine", to enhance and explore knowledge among Stem Cell community and to establish corporations and exchanging ideas. Providing the right stage to present stimulating Keynote talks, Plenary sessions, Discussion Panels, B2B Meetings, Poster symposia, Video Presentations and Workshop Stem Cell Research 2021 anticipates over 200 participants around the globe with path breaking subjects, discussions and presentations. This will be a splendid feasibility for the researchers, delegates and the students from Global Universities and Institutes to interact with the world class scientists, speakers, Analyst, practitioners and Industry Professionals.

Longdom all the experts and researchers from the Stem Cell, Tissue Engineering and Regenerative Medicine sector all over the world to attend "International Conference on Stem Cell, Tissue Engineering and Regenerative Medicine (Stem Cell Research 2021) which is going to be held on Rome, Italy on September 29-30, 2021. Stem Cell Research 2021 conference includes Keynote presentations, Oral talks, Poster Presentations, Workshops, and Exhibitors.

Stem Cell Research 2021 conference is also comprised of Best Post Awards, Best Oral Presentation Awards, Young Researchers Forums (YRF) and also Video Presentation by experts. We are glad to welcome you all to join and register for the "International Conference on Stem Cell, Tissue Engineering and Regenerative Medicine" which is going to be held in Rome, Italy on September 29-30, 2021.
