14th International Conference on Alzheimer s Disease & Dementia

Ta Yuan Chang

Professor, Geisel School of Medicine, USA, E-mail: Ta.Yuan.Chang@Dartmouth.Edu

The 12th International conference on Alzheimer's Disease & Dementia, hosted by Conference series llc LTD was successfully held during October 29-31, 2018 in Valencia, Spain. The conference highlighted the theme "Investigating the Challenges and Excellence in Dementia Research". The conference was successful in gathering eminent speakers from various reputed organizations and their paramount talks enlightened the gathering.

The pragmatic meet organized by CONFERENCE SERIES llc LTD received a generous response from the Editorial Board Members of CONFERENCE SERIES llc LTD Journals as well as expertise from academia, talented researchers and young student community. Researchers and students who attended from different parts of the world made the conference one of the most successful and productive events in 2018 from CONFERENCE SERIES llc LTD. The conference was marked by the presence of renowned Speakers, Young Researchers, Students and Business Delegates driving the Three-day event into the path of success with thought-provoking keynote and plenary presentations.

The highlights of the meeting where the keynote lectures from

- Petr Zach, Charles University, Czech Republic
- Magdalena Turek, Care Homes Zapiecek, Poland
- T Y Chang, Geisel School of Medicine, USA
- Catherine Chang, Geisel School of Medicine, USA
- Mourad Tayebi, Western Sydney University, Australia

All the above-mentioned Honourable Guests and Keynote speakers gave their energetic and fruitful contributions and special thanks to our Moderator Dr. Gabriel González Pavón, Oncovision, Spain and Petr Zach, Charles University, Czech Republic for his remarkable

contribution towards smooth functioning at Dementia 2018. The meeting was carried out through various sessions, in which the discussions were held on the following major scientific tracks:
