

## Current Trends in Gastroenterology, Hepatology

**Dr. Vinod**

*Assistant Professor, Hindu Rao Hospital & NDMC Medical College, India*

The "14th Annual Congress on Gastroenterology & Hepatology" hosted by conference series with the theme, "Current Trends in Gastroenterology, Hepatology & Endoscopy" was successfully executed during August 6-7, 2018 in Osaka, Japan. The conference offered a unique opportunity to investigators across the globe in order to meet, explore, network and perceive new scientific innovations. The conference received commendable and active participation was received from the Editorial Board Members of OMICS Group Journals as well as from the global scientists, Professors, Academicians, Researcher Scholars and students from diverse fields of Gastroenterology.

The conference commenced with the presence of worthy Keynote forum and among the notable ones, few are listed below.

- Volatile organic metabolites as novel, non-invasive diagnostic biomarkers in inflammatory Bowel Disease" by Dr Iftikhar Ahmed, Hon. Senior Clinical Lecturer University of Southampton, Southampton, UK
- "Hepatocarcinoma in Guatemala Contrasting Global Epidemiology" by Luis Fernando Sandoval García, Internal Medicine Msc, Instituto Guatemalteco de Seguridad Social (IGSS), Guatemala

Conference series is organizing "5th Annual Congress on Gastroenterology & Hepatology" which is going to be held on March 30-31, 2020 at Hong Kong, China. The conference is going to cover the entire field related to Gastroenterology, latest research and findings. The Conference will provide a platform where research scholars and students will be able to gain knowledge about new, innovative research and findings from the eminent Scientist, Researchers and Professors.

**The conference highlights of Gastroenterology congress 2020 are as follows:** Clinical Gastroenterology, Imaging in Gastroenterology, Surgical, Endoscopic, and Future Therapies, Therapeutic and Diagnostic Gastroenterology, Hepatology and Nutrition, Pediatric Gastroenterology,

Medical Therapies for IBS, Intestinal Rehabilitation, Bariatric Surgery and Liver Transplantation, Gastrointestinal Immunology, Digestive Diseases, Neuro-Gastroenterology, Gastrointestinal Oncology, Inflammatory Bowel Disease, Gastrointestinal Pathology, Hepatic Disorders, Gastroenterology & Pregnancy, Molecular Screening for Hepatitis Virus
