I am delighted to introduce the Journal of Journal of Nursing & Care (ISSN: 2167-1168) is a rapid peer reviewed journal which is a valuable source of information for scholars, researchers, professionals, and students, providing in-depth perspectives on intriguing contemporary topics of Nursing. Built on an ethos of openness, we are passionate about working with the global academic community to promote open scholarly research to the world.

Journal of Nursing & Care (JNC) also announces its new association with Hilaris group for Archiving, Journal maintenance, financial purpose and support. However the journal will be running its original website <https://www.hilarispublisher.com/nursing-care.html> parallel for Editorial and review work process so as to maintain its highest standard of scientific work.

The major objective of JNC is to publish up-to-date, high-quality and original research papers alongside relevant and insightful reviews. The Journal aims to flourish and to maintain the standards in Nursing research and practices, providing an excellent platform and opportunity to present evidence based research, reviews, case studies and analytical assessment of research that probably is much in deed for students, professors, aspiring researchers and health care professionals to enhance the patient care.

Journal of Nursing & Care during this year also brought out Joint Event on “Joint Event on International Conference on Advanced Nursing & Neonatal Nursing”, which consisted of ~20 abstracts, “Joint Meeting on 5th World Holistic Nursing Conference & 2nd Annual Congress on Emergency Medicine and Acute Care”, which consisted of ~22 abstracts and “27th World Congress on Nursing Care”, which consisted of ~20 abstracts.

All published articles of this journal are included in the Indexing and Abstracting coverage of Index Copernicus, Google Scholar, Sherpa Romeo, Open J Gate, Academic Keys, JournalTOCs, ResearchBible, RefSeek, Hamdard University, EBSCO A-Z, OCLC- WorldCat, Publons, Geneva Foundation for Medical Education and Research receiving funding from a funding organization that is included on the list of PMC and Research Funder Policies or authors having NIH grant were submitted to PubMed. I am pleased to announce that, all issues of the 8th Edition were published online well within the time and the print issues were also brought out and dispatched within 30 days of publishing the issue online during the year of 2019.

During the calendar year of 2019, JNC received a total of 41 manuscripts, out of which 10 articles (20%) were rejected in the preliminary screening due to plagiarism or being out of the format and peer review process. After the final screening, only 31 articles were selected for publishing. A total of 100 research scientists from all over the world reviewed the articles published in volume 8. Average publication lag time of an article was further reduced to 2-3 weeks.

I take this opportunity to acknowledge the contribution of Executive Editor: Akiko Kondo (Japan) during the final editing of articles published and the support rendered by the editorial assistants who helped in bringing out issues of Nursing & Care in time. I would also like to express my gratitude to all the authors, reviewers, the publisher, the advisory and the editorial board of Journal of Nursing & Care, the office bearers for their support in bringing out yet another volume of Nursing & Care and look forward to their unrelenting support to bring out the Volume 8 of Nursing & Care in scheduled time.

Needless to say, any papers that you wish to submit, either individually or collaboratively, are much appreciated and will make a substantial contribution to the early development and success of the journal.

Best wishes and thank you in advance for your contribution to the Journal of Nursing & Care.
