Editor Note on Epilepsy Journal

The journal has been started in the year 2015 and it released its first volume in the same year. Till now, the journal has released 6 volumes by the end of 2019 and is successfully running its 7th Volume. Epilepsy Journal is peer-reviewed and is published in electronic version. The language of the Epilepsy Journal is English. Epilepsy Journal publishes research and review articles, rapid and short communication in entire aspects of the pharmaceutical sciences with strong emphasis on originality and scientific quality. The editors welcome articles in this multidisciplinary field, ranging from drug discovery, over drug delivery to drug development. More specifically, the Journal publishes reports in Brain Epilepsy, Childhood Epilepsy, Clinical Epilepsy, Electroencephalography, Epilepsy Syndromes, Focal Epilepsy, Frontal Lobe Epilepsy, Nocturnal Epilepsy, Panayiotopoulos Syndrome, Pediatric Epilepsy, Photosensitive Epilepsy, Postictal State, Rolandic Epilepsy, Seizure, Seizure Medications, and Temporal Lobe Epilepsy.

The classification extends to the above and its related topics too.

Some of the articles released in 2019 are as follows:

1. Apparent Refractory Epilepsy; Causes and Prevalence among Sudanese Patients at the National Center of Neurological Sciences, Khartoum 2018
2. 2020 Market Analysis of Epilepsy and Brain Disorders Conference

The journal has released the conference details relating to the journal in 2019. In The same way, the Journal expects to cover all the above classification topics for the year 2020 along with the present research in this field.

Social media/digital marketing

The journal always was in contact with the scientific group of the world through its mails, social media networks and its digital platforms. Some of the best ways to be in contact with

The audiences' are:

1. Twitter postings: Regularly posting the articles, trends, updates of the journal.
2. Posting Google Analytics data in the website.
3. Using LinkedIn and Facebook for regular updates.

4. Regularly being in contact not only through mails but also through Whatsapp.

The complete details about the journal can be seen at: <https://www.hilarispublisher.com/epilepsy.html> and for contacting us, mail us or WhatsApp us.

So, as an Editor, I invite all the extended dignitaries in this field to submit their articles for bringing this research/expertise to the global scientific community.

Regards

Amina Chentouf
