Editorial Note

I am pleased to introduce [Industrial Engineering & Management](#) (IEM) deals with the Industrial Design, construction, Management, and application of science and engineering principles to improve the Industrial environment. We have been started in year 2012 Industrial Engineering & Management (ISSN: 2169-0316) is growing continuously. It is our pleasure to announce that during year 2019, all issues of volume 8 were published online on time and the print issues were also brought out and dispatched within 30 days of publishing the issue online.

All published articles of this journal are included in the indexing and abstracting coverage of CAS Source Index (CASSI), Index Copernicus, Google Scholar, Sherpa Romeo, [Academic Journals Database](#), GenamicsJournalSeek, JournalTOCs, CiteFactor, Industrial Journals Library, RefSeek, Hamdard University, EBSCO A-Z, Directory of Abstract Indexing for Journals, World Catalogue of Scientific Journals, OCLC- WorldCat, Scholarsteer, SWB online catalog, Virtual Library of Industrial Engineering (vifabio), Publons, Dtufindit, Geneva Foundation for Medical Education and Research.

During the calendar year 2019, Industrial Engineering & Management received a total of 30 papers, out of which 5 articles were rejected in the preliminary screening due to plagiarism or being out of the format and peer review process. During 2019 around 16

articles were subjected for publication after they are accepted in the peer review process. In the 4 issues of Volume 8 published during the year 2019, a total of 16 articles were published (at an average of 3 articles per issue of which, articles were published from authors all around the world. A total of 30 research scientists from all over the world reviewed the 16 articles published in volume 8. Average publication period of an article was further reduced to 14-21 days.

During the calendar year 2019, a total of three Editors, ten Reviewers joined the board of [IEM](#) and contributed their valuable services towards contribution as well as publication of articles, and their valuable reviewer comments will beneficial to publish quality of article in the Journal.

I take this opportunity to acknowledge the contribution of Editor-in-chief and Associate Editor during the final editing of articles published and bringing out issues of IEM in time. I would also like to express my gratitude to all the authors, reviewers, the publisher, language editor, honorary editors, the scientific advisory and the editorial board of IEM, the office bearers for their support in bringing out the new volume (Volume 9) of IEM for the calendar year 2020 and look forward to their unrelenting support further to release more issues for [Industrial Engineering & Management](#) IEM in scheduled time.
