Editorial

The Journal of Health Education Research & Development is an academic journal providing an opportunity to researchers and scientists to explore the advanced and latest research developments in the field of Health Education, education, health development, Mental and Physical Health Education, Diabetes research, Human Diseases and Treatments and related academic disciplines. The journal publishes research articles, short communications, reviews, commentaries, and opinions of high standards. Founded in 2013, Journal of Health Education Research & Development (ISSN: 2380-5439) is growing continuously. It is our pleasure to announce that during year 2019, all issues of volume 8 were published online on time and the print issues were also brought out and dispatched within 30 days of publishing the issue online. The ICV ranking of the Journal is 91.13* as well as Journal Impact Factor is 0.5*.

Journal of Health Education Research & Development also announces its new association with Hilaris group for Archiving, Journal maintenance, financial purpose and support. The journal will be running in its website <https://www.hilarispublisher.com/health-education-research-and-development.html>

During the calendar year of 2019, JHERD received a total of 86 manuscript, out of which 7 articles were rejected in the preliminary screening due to plagiarism or being out of the format and peer review process. During 2019 around 15 articles were subjected for publication after they are accepted in the peer review process. In the 3 issues of Volume 7 published during the year 2019, a total of 15 articles were published (at an average of 5 articles per issue) of which, articles were published from authors all around the world. Globally articles have been accessed by the research scientists and also cited.

During the calendar year 2019, a total of two Editors, three Reviewers joined the board of JHERD and contributed their valuable services towards contribution as well as publication of articles, and their valuable reviewer comments will be beneficial to publish quality of article in the Journal.

I take this opportunity to acknowledge the contribution of Editors: Chin-Shang Li, USA, Nandan Kumar Mondal, USA, Christoph Augner, Austria and the support rendered by the editorial assistants: Dr. Annie J, Catherine D in bringing out issues of JHERD in time. I would also like to express my gratitude to all the authors, reviewers, the publisher, the advisory and the editorial board of OHDM, the office bearers for their support in bringing out yet another volume of JHERD and look forward to their unrelenting support to bring out the Volume 8 of JHERD in scheduled time.
