

## Editorial Highlights for Journal of Lung Diseases and Treatment

Kenneth Stokes

Editorial manager, **Journal of Lung Diseases and Treatment**

Ph.No: +325 328 0176

I am pleased to introduce [Journal of Lung Diseases and Treatment](#) a rapid peer reviewed Journal which have a key concerns over the health economics related to the most useful sensor networks. Identifies measures and compares the costs and outcomes of pharmaceutical products and services. I am pleased to announce that, all issues of volume 6 were published online well within the time and the print issues were also brought out and dispatched within 30 days of publishing the issue online during the year of 2019.

Journal of Lung Diseases and Treatment is an open access journal and publishes the manuscripts after thorough peer review. It handles the etiology, diagnosis and treatment of lung diseases which includes Lung Cancer Treatment, Lung Inflammation and Treatment, Lung Parenchyma, Lung Radiation Therapy, Lung Fibrosis, COPD Treatment, Lung Infection and Treatment, etc. This journal also displays the advanced and innovative treatment techniques related to lung diseases

This medical journal is using Editorial Tracking System for [online](#) manuscript submission, review and tracking. Editorial board members of the lung diseases and treatment and outside experts review the manuscripts; at least two independent reviewers approval followed by editor approval is required for acceptance of manuscript for publication.

During the calendar year of 2019, PE received a total of above 30 manuscript, out of which 24 articles (86%) were rejected in the preliminary screening due to plagiarism or being out of the format and peer review process. During 2019 around 8 articles were subjected for publication after they are accepted in the peer review process. In the 1 issues of Volume 6 published during the year 2019, a total of 4 articles were published (at an average of 3 articles per issue) of which, articles were published from authors all around the world. Globally articles have been accessed by the research scientists and also cited.

During the calendar year 2019, a total of two Editors, seven Reviewers joined the board of PE and contributed their valuable services towards contribution as well as publication of articles, and their valuable reviewer comments will beneficial to publish quality of article in the Journal.

I take this opportunity to acknowledge the contribution during the final editing of articles published and the support rendered by the editorial assistant, in bringing out issues of PE in time. I would also like to express my gratitude to all the authors, reviewers, the publisher, the advisory and the editorial board of PE, the office bearers for their support in bringing out yet another volume of PE and look forward to their unrelenting support to bring out the Volume 6 of PE in scheduled time.
