

## Editorial Highlights for Journal of Nephrology & Therapeutics

### Shruthi K

Department of Medicine, London University, London

#### Editorial Note

I am pleased to introduce International Journal of Nephrology & Therapeutics (JNT) which is an open access electronic journal aiming to provide an online compendium for functioning of kidney & preventive and therapeutic measures in overcoming them and creates a platform for the authors to make their contribution towards the journal. The editorial office peer reviews the submitted manuscripts to ensure quality. We have been started in year 2011 International Journal of Nephrology & Therapeutics (ISSN: 2161-0959) is growing continuously. It is our pleasure to announce that during year 2020, all issues of volume 10 were published online on time and the print issues were also brought out and dispatched within 30 days of publishing the issue online.

All published articles of this journal are included in the indexing and abstracting coverage of CAS Source Index (CASSI), Index Copernicus, Google Scholar, Sherpa Romeo, Academic Journals Database, GenamicsJournalSeek, JournalTOCs, CiteFactor, Electronic Journals Library, RefSeek, Hamdard University, EBSCO A-Z, Directory of Abstract Indexing for Journals, World Catalogue of Scientific Journals, OCLC- WorldCat, Scholarsteer, SWB online catalog, Virtual Library of Biology (vifabio), Publons, Dtufindit, Geneva Foundation for Medical Education and Research.

During the calendar year 2020, International Journal of Nephrology & Therapeutics received a total of 30 papers, out of which 6 articles were rejected in the preliminary screening due to plagiarism or being out of the format and peer review process. During 2020 around 16 articles were subjected for publication after they are accepted in the peer

review process. In the 4 issues of Volume 10 published during the year 2020, a total of 16 articles were published (at an average of 3 articles per issue of which, articles were published from authors all around the world. A total of 30 research scientists from all over the world reviewed the 16 articles published in volume 10. Average publication period of an article was further reduced to 14-21 days.

During the calendar year 2020, a total of three Editors, ten Reviewers joined the board of JNT and contributed their valuable services towards contribution as well as publication of articles, and their valuable reviewer comments will beneficial to publish quality of article in the Journal.

I take this opportunity to acknowledge the contribution of Editor-in-chief and Associate Editor during the final editing of articles published and bringing out issues of JNT in time. I would also like to express my gratitude to all the authors, reviewers, the publisher, language editor, honorary editors, the scientific advisory and the editorial board of JNT, the office bearers for their support in bringing out the new volume (Volume 10) of JNT for the calendar year 2020 and look forward to their unrelenting support further to release more issues for International Journal of Nephrology & Therapeutics JNT in scheduled time.
