Editorial

Without continual growth and progress, such words as improvement, achievement, and success have no meaning. Founded by Prof. Dr. Vikram Verma (University of Minnesota, USA) Medical Microbiology and Diagnosis (ISSN: 2161-0703) is growing continuously. It is our pleasure to announce that during year 2019, all issues of volume 8 were published online on time and the print issues were also brought out and dispatched within 30 days of publishing the issue online.

Medical Microbiology and Diagnosis during this year also brought out Infectious Diseases and Control and World Pathology Congress 2020, which consisted of ~ 50 abstracts.

Medical microbiology is a branch of medicine concerned with the prevention, diagnosis and treatment of infectious diseases. This is a peer reviewed medical journal that includes a wide range of topics in this fields including Bacteriology, Clinical and Medical Diagnostics, Parasitology, Bacterial Infections and creates a platform for the authors to make their contribution towards the journal. The editorial office promises a thorough peer review of the submitted manuscripts to ensure quality.

Journal of Medical Microbiology & Diagnosis is one of the best open access journals that aims to publish the most complete and reliable source of information on discoveries and current developments in the mode of original articles, review articles, case reports, short communications, etc. in the field and provides online access to the researchers worldwide without any restrictions or subscription charges.

All published articles of this journal are included in the indexing and abstracting coverage of Index Copernicus, Google Scholar, Sherpa Romeo, Open J Gate, Genamics Journal Seek, Ulrich's Periodicals Directory, Ref Seek, Hamdard University, EBSCO A-Z, OCLC- World Cat, Publons, Geneva Foundation for Medical Education and Research.

I take this opportunity to acknowledge the contribution of Editorial Boards: Nora Beatriz Molina, Honorio Adenilda Cristina Franca, Jan Schmid during the final editing of articles published and the support rendered by the editorial assistants: Dr Pallab Ghosh, Pranjal Chandra and Faruquzzaman in bringing out issues of JMMD in time. I would also like to express my gratitude to all the authors, reviewers, the publisher, the advisory and the editorial board of JMMD, the office bearers for their support in bringing out yet another volume of OHDM and look forward to their unrelenting support to bring out the Volume 10 of JMMD in scheduled time.
