## Editorial

### Social media/digital marketing

The journal always was in contact with the scientific group of the world through its mails, social media networks and its digital platforms. Some of the best ways to be in contact with the audiences' are:

1. Twitter postings: Regularly posting the articles, trends, updates of the journal. They can be visible at: @cardiol24842589
2. Posting Google Analytics data in the website.
3. Using LinkedIn and Face book for regular updates.
4. Regularly being in contact not only through mails but also through Whats App.

The complete details about the journal can be seen at:

[www.scholarcentral.org/submissions/interventional-general-cardiology.html](http://www.scholarcentral.org/submissions/interventional-general-cardiology.html)

For contacting us, mail us or Whats App us.

Lastly, Journal of Interventional and General Cardiology is nothing without the continuous support of the Editorial Board Members especially our Editor-in-Chief Nassir A. Azimi.

The Editorial Board members are the back bone of the journal. Along with them, authors and reviewers play a very significant role in building this journal.

So, as an Editorial Co-ordinator I invite all the extended dignitaries in this field to submit their articles for bringing this research/expertise to the global scientific community.
