Editorial Note: Epilepsy Journal

On behalf of the Board of the Epilepsy Journal (ELJ) and my co-editors I am proud to introduce you open access peer-reviewed online journal Epilepsy Journal. The Epilepsy Journal (ISSN: 2472-0895) started publishing in 2015 and has since then published several high quality papers and reviews. I am extremely thankful to the Editorial board, our readers and contributors (authors and reviewers) for making this journal a great success. ELJ was established with a vision of supporting and promoting research in fields in Epilepsy across the world. The objective of ELJ is to publish up-to-date, high-quality and original research papers alongside relevant and insightful reviews. As such, the journal aspires to be vibrant, engaging and accessible, and at the same time integrative and challenging.

It is our pleasure to announce that during year 2019, all issues of volume 5 were published online on time. Epilepsy Journal is peer-reviewed and is published in electronic version. Epilepsy Journal publishes research and review articles, rapid and short communication in entire aspects of the pharmaceutical sciences with strong emphasis on originality and scientific quality. More specifically, the Journal publishes reports in on Brain Epilepsy, Childhood Epilepsy, Clinical Epilepsy, Electroencephalography, Epilepsy Syndromes, Focal Epilepsy, Frontal Lobe Epilepsy, Nocturnal Epilepsy, Panayiotopoulos Syndrome, Paediatric Epilepsy, Photosensitive Epilepsy, Postictal State, Rolandic Epilepsy, Seizure, Seizure Medications, Temporal Lobe Epilepsy. Globally articles have been accessed by the research scientists and also cited. Needless to say, any papers that you wish to submit, either individually or

Collaboratively, are much appreciated and will make a substantial contribution to the early development and success of the journal. Best wishes and thank you in advance for your contribution to the Epilepsy Journal. I would welcome your contributions and suggestions to take ELJ to further heights.

Regards
