I am pleased to mention that during the year 2019, all issues of volume 9 were published online well within the time and the print issues were also brought out and dispatched within 30 days of publishing the issue online.

Bioceramics Development and Applications Journal during this year also brought out Joint Event on International Conference and Expo on Ceramics and Composite Materials.

BDA is currently working on the impact factor to increase the impact of the journals by publishing quality articles. BDA is indexed in multiple good indexing sites such as Google Scholar, Research gate, Road Directory of Open Access Scholarly Resources, Open J Gate, Publons.

During the calendar year 2019, BDA received a total of 15 papers, out of which 13 articles were rejected in the preliminary screening due to plagiarism or being out of the format and peer review process. During 2019 around 2 articles were subjected for publication after they are accepted in the peer review process. In the 2nd issues of Volume 9 published during the year 2019, a total of 2 articles were published (at an average of 8 articles per issue) of which, articles were published from authors all around the world. A total of 21 research scientists from all over the world reviewed the 2 articles published in volume 9. Average publication lag time of an article was further reduced to 2-3 weeks.

During the calendar year 2019, a total of 11 Editors, 73 Reviewers joined the board of BDA and contributed their invaluable services towards contribution as well as publication of articles.

I take this opportunity to acknowledge the contribution of (Dr. Guy Daculsi) during the final editing of articles published and the support rendered by the other editor in bringing out issues of BDA in time. I would also like to express my gratitude to all the authors, reviewers, the publisher, the advisory and the editorial board of BDA, the office bearers for their support in bringing out yet another volume of BDA and look forward to their unrelenting support to bring out the Volume 10 of BDA in scheduled time.
