

Editorial Note for the Journal of Clinical Infectious Diseases: Open Access

Serkan Atici*

Division of Pediatric Infectious Diseases, Marmara University School of Medicine, Turkey

Clinical Infectious Diseases: Open Access (ISSN: 2684-4559) is growing continuously. It is our pleasure to announce that during year 2019, all issues of volume 3 were published online on time and the print issues were also brought out and dispatched within 30 days of publishing the issue online.

All published articles of this journal are included in the indexing and abstracting coverage of CAS Source Index (CASSI), Index Copernicus, Google Scholar, Sherpa Romeo, RefSeek, EBSCO A-Z, OCLC-WorldCat, SWB online catalog, Publons, etc.

During the calendar year 2019, JID received a total of 7 papers, out of which 1 article were rejected in the preliminary screening due to plagiarism or being out of the format and peer review process. During 2019 around 5 articles were subjected for publication after they are accepted in the peer review process. In the 3 issues of Volume 3 published during the year 2019, a total of 5 articles were published (at an average of 2 articles per issue) of which, articles were published from authors all around the world. Average publication lag time of an article was further reduced to 2-3 weeks.

Clinical Infectious Diseases: Open Access its new association with Hilaris Publishing group for Archiving, Journal maintenance, financial purpose and support. Journal will be running its website <https://www.hilarispublisher.com/clinical-infectious-diseases.html> parallel for Editorial and review work process so as to maintain its highest standard of scientific work.

Association with Hilaris Publishing Group has increased Readership Metrics (By Google Analytics) of Clinical Infectious Diseases: Open Access at the same.

I take this opportunity to acknowledge the contribution by Editors: Dr. Pere Domingo, Associate Editors: Omer Faruk Ozkan and also during the final editing of articles published and the support rendered by the editorial assistants bringing out issues of JID in time. I would also like to express my gratitude to all the Editors, authors, reviewers, the publisher, the advisory, and the editorial board of JID, the office bearers for their support in bringing out yet another volume of JID and look forward to their unrelenting support to bring out the Volume 4 and upcoming Volume 5 of JID in scheduled time.
