

# **Editorial Note for Journal of Anesthesiology and Pain Research**

I am pleased to mention that during the year 2019, all issues of volume 2 were published online well within the time and the print issues were also brought out and dispatched within 30 days of publishing the issue online.

During the calendar year 2019, JAPRE received a total of 9 papers, out of which 4 articles (44%) were rejected in the preliminary screening due to plagiarism or being out of the format and peer review process. During 2019 around 5 articles were subjected for publication after they are accepted in the peer review process. In the 2 issues of Volume 1 published during the year 2018, a total of 14 articles were published (at an average of 7 articles per issue) of which, articles were published from authors all around the world. A total of 60 research scientists from all over the world reviewed the 36 articles published in volume 18. Average publication lag time of an article was further reduced to 2-4 weeks.

During the calendar year 2019, a total of 2 Editors, 12 Reviewers joined the board of JAPRE and contributed their invaluable services towards contribution as well as publication of articles.

I take this opportunity to acknowledge the contribution of Editor-in-Chief, Salah Mostafa Saleh Asida during the final editing of articles published and the support rendered by the editorial assistant, Dr. Shantanu Vyas in bringing out issues of JAPRE in time. I would also like to express my gratitude to all the authors, reviewers, the publisher, the advisory and the editorial board of JAPRE, the office bearers for their support in bringing out yet another volume of JAPRE and look forward to their unrelenting support to bring out the Volume 3 of JAPRE in scheduled time.
