

Editorial Note for Journal of Electrical and Electronic Systems

Priyanka P

Vignan University, India

Editorial Note

I am pleased to introduce Journal of Electrical and Electronic Systems (JEES) (<https://www.hilarispublisher.com/electrical-electronic-systems.html>) a rapid peer reviewed Journal which has key concerns over the Applications of Electrical and Electronic Systems by exploring the vacuum tubes, transistors, diodes and integrated circuits, and associated passive interconnection technologies. I am pleased to announce that, all issues of volume 8 were published online well within the time and the print issues were also brought out and dispatched within 30 days of publishing the issue online during the year of 2019.

The Journals aims to flourish and to maintain the standards in research and practice, provide platform and opportunity to present evidence based Electrical and Electronic Systems assessment of research and probably it is much in deed for students, teachers and professors.

All published articles of this journal are included in the indexing and abstracting coverage of Index Copernicus, Open J Gate, Sherpa Romeo, RefSeek, Hamdard University, Hamdard University, EBSCO A-Z, OCLC- WorldCat, Publons.

During the year 2019, Journal of Electrical and Electronic Systems received a total of 38 papers, out of which 11 articles were rejected in the preliminary screening due to plagiarism or being out of the format and peer review process. During 2019 around 17 articles were subjected for publication after they are accepted in the peer review process.

In the 3 issues of Volume 8 published during the year 2019, a total of 17 articles were published (at an average of 5 articles per issue) of which, articles were published from authors all around the world. A total of 30 research scientists from all over the world reviewed the 17 articles published in volume 8. Average publication period of an article was further reduced to 14-21 days.

Journal of Electrical and Electronic Systems also announces its new association with HILARIS Publishers for Archiving, Journal maintenance, financial purpose and support. However the journal will be running its original website

<https://www.hilarispublisher.com/electrical-electronic-systems.html> parallel for Editorial and review work process so as to maintain its highest standard of scientific work.

During the year 2019, a total of three Editors, five Reviewers joined the board of JEES and contributed their valuable services towards contribution as well as publication of articles, and their valuable reviewer comments will beneficial to publish quality of article in the Journal.

I would like to take the opportunity to express my gratitude to all the editorial board members, authors, reviewers, the publisher, and the advisory of JEES, the office bearers for their support in bringing out yet another volume of JEES and look forward to their unrelenting support to bring out the Volume 9 of JEES in scheduled time.

I take this opportunity to acknowledge the contribution of Editor-in-chief and Associate Editor during the final editing of articles published and bringing out issues of JEES in time. I would also like to express my gratitude to all the authors, reviewers, the publisher, language editor, honorary editors, the scientific advisory and the editorial board of JEES, the office bearers for their support in bringing out the new volume (Volume 9) of JEES for the calendar year 2020 and look forward to their unrelenting support further to release more issues for International Journal of Anatomical Variations JEES in scheduled time.
