

Editorial Note for Journal of Genetics and DNA Research

Alice Gibbson*

Editorial

I am pleased to mention that during the year 2018, all issues of volume 2 were published online well within the time and the print issues were also brought out and dispatched within 30 days of publishing the issue online.

Journal of Genetics and DNA Research during this year has also brought out 13th International conference on Proteomics, Genomics and Bioinformatics.

The JCR Impact factor of JGDR for the year 2018 was 0.75, while the current SJR index dropped to 0.256.

During the calendar year 2018, JGDR received a total of 16 papers, out of which 9 articles were rejected in the preliminary screening due to plagiarism or being out of the format and peer review process. During 2018 around 7 article is subjected for publication after it was accepted in the peer review process. In the 1 issue of Volume 2 published during the year 2018, a total of 7 article was published. A total of 28 research scientist from all over the world reviewed the article published in volume 2.

During the calendar 2018, a total of 3 Editors and 8 Reviewers joined the board of JGDR and contributed their invaluable services towards contribution as well as publication of articles.

I take this opportunity to acknowledge the contribution of Editor-in-Chief Dr. E. Shyam P. Reddy during the final editing of articles published and the support rendered by editorial assistant, in bringing out issues of JGDR in time. I would also like to express my gratitude to all the authors, reviewers, the publishers, the advisory

and the editorial board of JGDR, the office bearers for their support in bringing out yet another volume of JGDR and look forward to their unrelenting support to bringing out volume 3 of JGDR in scheduled time.
