

Editorial Note for Journal of Nanosciences: Current Research

Pankaj K

University of Hyderabad, India

I am pleased to introduce International Journal of Nanosciences: Current Research (JNCR) which is an open access electronic journal aiming to provide an online compendium for Nano science Research & Technology. The interdisciplinary coverage of the Journal includes all the basic and applied research of Nano scale sciences with innovative Nanotechnology applications towards science, engineering and technology. We have been started in year 2016. [Journal of Nanosciences: Current Research](#) (ISSN: 2572-0813) is growing continuously. It is our pleasure to announce that during year 2019, all issues of volume 12 were published online on time and the print issues were also brought out and dispatched within 30 days of publishing the issue online.

All published articles of this journal are included in the indexing and abstracting coverage of Index Copernicus, Google Scholar, Sherpa Romeo, Academic Journals Database, Open J Gate, Genamics Journal Seek, Academic Keys, ResearchBible, Directory of Open Access Journals, VieSearch, China National Knowledge Infrastructure (CNKI), Electronic Journals Library, RefSeek, Directory of Research Journal Indexing (DRJI), EBSCO A-Z, OCLC- WorldCat, SWB online catalog, Publons, Advanced Science Index, Secret Search Engine Labs.

During the calendar year 2019, [Journal of Nanosciences: Current Research](#) received a total of 20 papers, out of which 10 articles were rejected in the preliminary screening due to plagiarism or being out of the format and peer review process. During 2019 around 10 articles

were subjected for publication after they are accepted in the peer review process. In the 2 issues of Volume 4 published during the year 2019, a total of 10 articles were published (at an average of 5 articles per issue of which, articles were published from authors all around the world. A total of 25 research scientists from all over the world reviewed the 10 articles published in volume 4. Average publication period of an article was further reduced to 14-21 days.

During the calendar year 2019, a total of three Editors, ten Reviewers joined the board of [JNCR](#) and contributed their valuable services towards contribution as well as publication of articles, and their valuable reviewer comments will beneficial to publish quality of article in the Journal.

I take this opportunity to acknowledge the contribution of Editor-in-chief and Associate Editor during the final editing of articles published and bringing out issues of JNCR in time. I would also like to express my gratitude to all the authors, reviewers, the publisher, language editor, honorary editors, the scientific advisory and the editorial board of JNCR, the office bearers for their support in bringing out the new volume (Volume 5) of [JNCR](#) for the calendar year 2020 and look forward to their unrelenting support further to release more issues for [Journal of Nanosciences: Current Research](#) (JNCR) in scheduled time.
