

Editorial Highlights for Journal of Spine

Kumar S*

Department of Biotechnology, Bapatla Engineering College, India

Editorial Note

I am pleased to introduce Journal of Spine (ISSN: 2165-7939) a rapid peer reviewed Journal which have a key concerns over the medical practices by exploring the best patient oriented clinical research and by exhibiting this information both directly, as clinical findings, and in practice oriented formats of direct application in day-to-day situations. I am pleased to announce that, all issues of volume 9 were published online well within the time and the print issues were also brought out and dispatched within 30 days of publishing the issue online during the year of 2019.

The Journals aims to flourish and to maintain the standards in research and practice, provide platform and opportunity to present evidence based medicine and analytical assessment of research and probably it is much in deed for students, teachers and health care professionals to enhance the patient care.

The Journal of Spine is having a Journal Impact factor of 1.5 for 2019 with an Index Copernicus value of 84.15. Article of the journal are indexed and archived in world famous website like Index Copernicus, Open J Gate, GenamicsJournalSeek, Academic Keys, China National Knowledge Infrastructure (CNKI), Ulrich's Periodicals Directory, RefSeek, Hamdard University, EBSCO A-Z, OCLC- WorldCat, Publons, Geneva Foundation for Medical Education and Research and so on...

During the calendar year of 2019, Journal of Spine received a total of 40 manuscript, out of which 28 articles (70%) were rejected in the preliminary screening due to plagiarism or being out of the format and peer review process. During 2019 around 24 articles were subjected for publication after they are accepted by the editors in the peer review process. In the 6 issues

of Volume 8 published during the year 2019, a total of 24 articles were published (at an average of 4 articles per issue) of which, articles were published from authors all around the world. Globally articles have been accessed by the research scientists and also cited.

During the calendar year 2019, a total of three Editors, seven Reviewers joined the board of Journal of Spine and contributed their valuable services towards contribution as well as publication of articles, and their valuable reviewer comments will beneficial to publish quality of article in the Journal.

Journal of Spine also announces its new association with Hilaris group for Archiving, Journal maintenance, financial purpose and support. However the journal will be running its website <https://www.hilarispublisher.com/spine.htm> parallel for Editorial and review work process so as to maintain its highest standard of scientific work.

I take this opportunity to acknowledge the contribution of (Dr. Anthony T. Yeung & Dr. Hiroshi Kuroki,) during the review process of articles published and the support rendered by the editorial assistant, in bringing out issues of Journal in time. I would also like to express my gratitude to all the authors, reviewers, the publisher, the advisory and the editorial board of Journal of Spine, the office bearers for their support in bringing out yet another volume of Journal of Spine and look forward to their unrelenting support to bring out the Volume 9 of the journal in scheduled time.
